*The Natural Speaker* is a friendly step-by-step guide to public speaking that explores the fundamental skills necessary to present a natural, and rewarding speech to any audience. By providing an overview of speech construction, practice, and delivery, this book is designed to enhance and improve upon students' natural strengths. Featuring a warm, and humorous writing style, *The Natural Speaker* illustrates the concepts and skills required for enjoyable public speaking, and Randy Fujishin invites readers to view speaking as a life-long journey. This ninth edition has been updated throughout to reflect the integration of online media in public speaking today—with sections on digital visual aids, digital note taking, and speaking on YouTube—and now features guidance on speaking to multicultural audiences.

*A Speaker's Guidebook* is the best resource in the classroom, on the job, and in the community. Praised for connecting with students who use and keep it year after year, this tabbed, comb-bound text covers all the topics typically taught in the introductory course and is the easiest-to-use public speaking text available. In every edition, hundreds of instructors have helped us focus on the fundamental challenges of the public speaking classroom. Improving on this tradition, the fifth edition does even more to address these challenges with stronger coverage of overcoming speech anxiety, organizing and outlining, and more. And as the realities of public speaking change, so does *A Speaker's Guidebook*; the new edition

Beginning in Rome around 600 BC, Latin became the language of the civilized world and remained so for more than two millennia. French, Spanish, Italian, and Romanian are among its progeny and it provides the international vocabulary of law and life science. No known language, including English - itself enriched by Latin words and phrases - has achieved such success and longevity. Tore Janson tells its history from origins to present. Brilliantly conceived and written with the same light touch as his bestselling history of languages, *A Natural History of Latin* is a masterpiece of adroit synthesis. The author charts the expansion of Latin in the classical world, its renewed importance in the Middle Ages, and its survival into modern times. He shows how spoken and written Latin evolved in different places and its central role in European history and culture. He ends with a concise Latin grammar and lists of Latin words and phrases still in common use. Considered elitist and irrelevant in the second half of the twentieth century and often even banned from schools, Latin is now enjoying a huge revival of interest across Europe, the UK, and the USA. Tore Janson offers persuasive arguments for its value and gives

Balancing skills and theory, *Principles of Public Speaking* emphasizes orality, Internet technology, and critical thinking as it encourages the reader to see public speaking as a way to build community in today's diverse world. Within a framework that emphasizes speaker responsibility, critical thinking and listening, and cultural awareness, this classic book uses examples from college, workplace, political, and social communication to make the study of public speaking relevant, contemporary, and exciting. This brief but comprehensive book also offers the reader the latest in using technology in speechmaking, featuring a unique and exciting integrated text and technology learning system.

*Skills for Academic and Career Success* focuses on the essential skills you need to be successful in your studies and in your future career. This original textbook aims to improve and enhance your study skills; it also introduces some important aspects of business and professional communication. An integrated approach is used to bring together these key fields of academic skills and business communication competency. The emphasis throughout the book is on practical, applied learning. It has been developed to complement Australian tertiary education curricula in the areas of study skills and professional communication and is designed to enhance learning outcomes for students within the Australian and Pan-Asian context.
