With more questions and answers than any other edition, the Encyclopedia of Counseling, Fourth Edition, is still the only book you need to pass the NCE, CPCE, and other counseling exams. Every chapter has new and updated material and is still written in Dr. Rosenthal's lively, user-friendly style counselors know and love. The book 's new and improved coverage incorporates a range of vital topics, including social media, group work in career counseling, private practice and nonprofit work, addictions, neurocounseling, research trends, the DSM-5, the new ACA and NBCC codes of ethics, and much, much more.

NCE Practice Questions are the simplest way to prepare for the NCE test. Practice is an essential part of preparing for a test and improving a test taker's chance of success. The best way to practice taking a test is by going through lots of practice test questions. Taking lots of practice tests helps ensure that you are not surprised or disappointed on your test day. Our NCE Practice Questions give you the opportunity to test your knowledge on a set of questions. You can know everything that is going to be covered on the test and it will not do you any good on test day if you have not had a chance to practice. Repetition is a key to success and using practice test questions allows you to reinforce your strengths and improve your weaknesses. Detailed answer explanations are also included for each question. It may sound obvious, but you have to know which questions you missed (and more importantly why you missed them) to be able to avoid making the same mistakes again when you take the real test. That's why our NCE Practice Questions include answer keys with detailed answer explanations. These in-depth answer explanations will allow you to better understand any questions that were difficult for you or that you needed more help to understand.
