Never Eighteen Megan Bostic
Never Eighteen is a quick read. It's just over 200 pages, and I literally read it in about three spanned out hours. It's a sad novel, meant to tug on your emotions. It will make you fall deeply in love and then rip it out from underneath you. It's a common story, and versions of it have been heard a million times, but it was sweet, sad, and romantic nevertheless.

We were given the assignment to read Megan Bostic's Never Eighteen, and at first when our teacher described the general idea of the plot I thought that I would be bored by this book. But once I started, I realized that I was very, very wrong. I couldn't put it down, I had to see what Austin would do next and how things would turn out with Kaylee... there were just enough sub-plots to keep me ...

Austin Parker is on a journey to bring truth, beauty, and meaning to his life Austin Parker is never going to see his eighteenth birthday. At the rate hes going, he probably wont even see the end of the year. The doctors say his chances of surviving are slim to none even with treatment, so hes decided its time to let go.But before he goes, Austin wants to mend the broken fences in his life. So with the help of his best friend, Kaylee, Austin visits every person in his life who touched him in a special way. He journeys to places hes loved and those hes never seen. And what starts as a way to say goodbye turns into a personal journey that brings love, acceptance, and meaning to Austins life.

The oceans stopped working before Willo was born, so the world of ice and snow is all he's ever known. He lives with his family deep in the wilderness, far from the government's controlling grasp. Willo's survival skills are put to the test when he arrives home one day to find his family gone. It could be the government, it could be scavengers—all Willo knows is he has to find refuge and his family. It is a journey that will take him into the city he's always avoided, with a girl who needs his help more than he knows. S.D. Crockett on narrative voice and an especially cold winter: What was your inspiration for *After the Snow*? Well, apart from the unbelievably cold winter during which I was writing—in an unheated house, chopping logs and digging my car out of the snow, I think much of the inspiration for the settings in *After the Snow* came from my various travels. In my twenties I worked as a timber buyer in the Caucasus Mountains of southern Russia, and that work led to travels in Eastern Europe and Armenia. As soon as I step off the plane in those places it smells like home. It may sound strange to say, when *After the Snow* is set in Wales, but really the practical dilemmas in the book come directly from places I've been, people I've lived with, and the hardships I've seen endured with grace and capability. I was in Russia not long after the Soviet Union collapsed and I've seen society in freefall. Without realizing it at the time I think those experiences led me to dive into *After the Snow* with real passion. What would western civilization look like with a few tumbles under its belt? What would happen if the things we took for granted disappeared? I wanted to write a gripping story about that scenario, but hardly felt that I was straying into fantasy in the detail. What do you want readers to most remember about *After the Snow*? We all have the capacity to survive, but in what manner? What do we turn to in those times of trouble? Those are the questions I would like people to contemplate after reading *After the Snow*. How did Willo's unique voice come to you? Willo's voice appeared in those crucial first few paragraphs. After that it just grew along with his world and the terrible situations that arise. I think his voice is in all of us. We don't understand, we try to make good—maybe we find ourselves. How did you stay warm while writing this novel? I banked up the fire—and was warmed by hopes of spring.

Guys and girls get together, get played, and get real. *Who Am I Without Him?* is a Booklist Top Ten Romance Novel for Teens and is "breaking new and necessary ground" in twelve short stories about guys and girls falling in and out of love and relationships, testing out ways to communicate with one another, respect each other-- and respect themselves. This is a complex, often humorous, and always on-point exploration of today's teens determined to find love and self-worth . . . any way they know how.

INSIDE BURNING BUILDINGS, Captain Caleb Holt lives by the firefighter's adage: NEVER LEAVE YOUR PARTNER. Yet at home, in the cooling embers of his marriage, he lives by his own rules. Growing up, his wife Catherine always dreamed of marrying a loving, brave firefighter. . . just like her father. Now, after seven years of marriage, she wonders when she stopped being "good enough." Countless arguments and anger have them wanting to move on to something with more sparks. As they prepare for divorce, Caleb's father challenges him to commit to a 40-day experiment: "The Love Dare." Wondering if it's even worth the effort, Caleb reluctantly agrees, not realizing how it will change his world forever. Surprised by what he discovers about the meaning of love, Caleb begins to see his wife and marriage as worth fighting for. But is it too late? His job is to rescue others. Now Captain Holt must face his toughest job ever . . . rescuing his wife's heart.

Youngstown, Ohio, 1977. After the closing of the city's largest steel mill and the worst blizzard in more than 40 years, unemployed Bobby Wayland tries to help his family. This means he needs to break the law. On the other side of town, a little girl named Hope keeps her ability to move things with her mind to herself. Watching over them is the city herself - and she has something to say and do about all of this.

Gabie drives a Mini Cooper. She also works part time as a delivery girl at Pete's Pizza. One night, Kayla—another delivery girl—goes missing. To her horror, Gabie learns that the supposed kidnapper had asked if the girl in the Mini Cooper was working that night. Gabie can't move beyond the fact that Kayla's fate was really meant for her, and she becomes obsessed with finding Kayla. She teams up with Drew, who also works at Pete's. Together, they set out to prove that Kayla isn't dead—and to find her before she is. This title has Common Core connections.

A smart, sassy contemporary teen novel full of romance, secrets, and ESP from the author of *Ten Things We Did (And Probably Shouldn't Have)* and *Bras & Broomsticks!* We weren't always like this. We used to be average New York City high school sophomores. Until our homeroom went for flu shots. We were prepared for some side effects. Maybe a headache. Maybe a sore arm. We definitely didn't expect to get telepathic powers. But suddenly we could hear what everyone was thinking. Our friends. Our parents. Our crushes. Now we all know that Tess is in love with her best friend, Teddy. That Mackenzie cheated on Cooper. That, um, Nurse Carmichael used to be a stripper. Since we've kept our freakish skill a secret, we can sit next to the class brainiac and ace our tests. We can dump our boyfriends right before they dump us. We know what our friends really think of our jeans, our breath, our new bangs. We always know what's coming. Some of us will thrive. Some of us will crack. None of us will ever be the same. So stop obsessing about your ex. We're always listening. "Smart and frequently hilarious."—Publishers Weekly, starred "A tour-de-force comic narration that will leave you gasping in awe—if you ever catch your breath from laughing."—E. Lockhart, author of *We Were Liars* "Hilarious, moving, and utterly ingenious."—Robin Wasserman, author of *The Book of Blood and Shadow* and *The Waking Dark* "Sarah Mlynowski does it again with a fresh, fun, and fabulous story . . . Don't even THINK about passing up this hilarious read!" —Elizabeth Eulberg, author of *The Lonely Hearts Club* "Funny, realistic, heartfelt, satiric, and unpredictable." —Ned Vizzini, New York Times bestselling author of *It's Kind of a Funny Story* A 2015 *Louisiana Young Readers' Choice Awards* Honor Book 2015-2016 *Teen Readers' Choice Stellar Award*

In Corin's world, your carpinomen - the name of your soul mate, marked indelibly on your wrist - is everything. It shapes your whole life, and sets out your future. People spend decades searching for the one they're supposed to be with. But what if you never find your soul mate? What if you fall for someone else - someone other than the name on your wrist? And which if - like Corin - you're desperate not to be found?
