Nigella Christmas is a beautiful book full of delicious food. And while heavy on the Red and Green, it's not just for Christmas. We paged through this book at a friend's home in London and when we returned to the US immediately bought the US version (you know, the kind that uses cups, not grams!).

Nigella Christmas comprises reliable, practical, easy-to-follow recipes and inspiring and reassuring advice, presented in a gorgeous package that will make this the ultimate gift to yourself, your family and friends. Nigella Christmas will surely become an all-time perennial favourite, the book we will all reach for – for minimum stress and maximum enjoyment – at holiday season. Recipes include everything from Christmas cakes and puddings to quick homemade presents (cookies and chutneys); food to cook and freeze ahead; oven slow-cooking; “hero” ingredients; as well as party food and drinks. And, of course, exciting and inspiring variations for the Main Event – from traditional turkey, festive ham and special trimmings; to a Swedish or Polish Christmas à la Nigella; to a vegetarian Christmas feast.

As the Christmas countdown begins, let Nigella be your guide! 'What comes out of your kitchen means more than anything from a shop ever will. The satisfaction of the season can stem from the stove.' With her no-nonsense approach and inspirational ideas, combined with reassuring advice and easy-to-follow, reliable recipes, Nigella Christmas is guaranteed to bring comfort and joy, and make sure the season of good will stays that way. Here is everything you need to make your Christmas easy and enjoyable, from scrumptious cakes and puddings to the main event itself - turkey with all the trimmings, a vegetarian Christmas dinner or a wide range of delicious alternatives. With lusciously warm photography, evocative food writing and a beautiful hardback design, this is a book you will treasure for many years as well as a delicious Christmas present for friends and family. Seasonal support - soups, salads, sauces and serve-later side dishes The main event - from traditional roast turkey to the ultimate Christmas pudding... with all the timings you need for a stress-free Christmas Day. Alternative Christmas dinners - goose, beef, pork and a vegetarian feast Joy to the world - Christmas baking and sweet treats All wrapped up - mouthwatering gift ideas for a personal touch Christmas brunch - recipes to make Boxing Day special

Comprises recipes and reassuring advice about planning and cooking ahead. This title includes everything from scrumptious Christmas cakes and puddings, to quick and easy homemade presents and edible tree-decorations, recipes for feeding friends and family with minimum stress and maximum enjoyment as well as Christmas party food and drinks.

Nigella Lawson, the international bestselling author of such classic cookbooks as How to Be a Domestic Goddess and Simply Nigella: Feel Good Food, shares recipes of the meals that she loves to cook for friends and family. Warm, comforting, and inspiring, Nigella's At My Table: A Celebration of Home Cooking offers a collection of recipes that are simple to prepare, giving you an opportunity to enhance your culinary skills and create a variety of delicious dishes—featuring a host of new ingredients to enrich classic flavors and tastes. From main courses including Chicken Fricassee, Hake with Bacon, Peas and Cider, and Chili Mint Lamb Cutlets through colorful vegetable dishes such as Eastern Mediterranean Chopped Salad and Carrots and Fennel with Harissa to treats of Emergency Brownies, Sticky Toffee Pudding, and White Chocolate Cheesecake, Nigella will help you serve up savory and sweet foods for a fine dining experience straight from your own kitchen. Includes more than 100 color photographs of dishes to whet your appetite.

Feast is written to stand alongside Nigella's classic and best loved book, How to Eat. Comprehensive and informed, this stunning new book will be equally at home in the kitchen or on the bedside table. A feast for both the eyes and the senses, written with Nigella Lawson's characteristic flair and passion, Feast: Food that Celebrates Life is a major book in the style of her classic How to Eat, applying Nigella's "Pleasures and Principles of Good Food" to the celebrations and special occasions of life. Essentially about families and food, about public holidays and private passions, about how to celebrate the big occasions and the small everyday pleasures — those times when food is more than just fuel — Feast takes us through Christmas, Thanksgiving and birthdays, to Passover and a special Sardinian Easter; from that first breakfast together to a meal fit for the in-laws; from seasonal banquets of strawberries or chestnuts to the ultimate chocolate cake; from food for cheering up the "Unhappy Hour" to funeral baked-meats; from a Georgian feast to a love-fest; from Nigella's all-time favourite dish to a final New Year fast. Evocative, gorgeous, refreshingly uncomplicated and full of ideas, Feast proclaims Nigella's love of life and great food with which to celebrate it. Packed with over 200 recipes from all over the world — and from near home — with helpful menus for whole meals, and more than 120 colour photographs, Feast is destined to become a classic.

Through her wildly popular television shows, her five bestselling cookbooks, her line of kitchenware, and her frequent media appearances, Nigella Lawson has emerged as one of the food world's most seductive personalities. How to Eat is the book that started it all—Nigella's signature, all-purposed cookbook, brimming with easygoing mealtime strategies and 350 mouthwatering recipes, from a truly sublime Tarragon French Roast Chicken to a totally decadent Chocolate Raspberry Pudding Cake. Here is Nigella's total (and totally irresistible) approach to food—the book that lays bare her secrets for finding pleasure in the simple things that we cook and eat every day.

The Domestic Goddess is back -- and this time it's instant. Nigella and her style of cooking have earned a special place in our lives, symbolizing all that is best, most pleasurable, most hands-on, and least fussy about good food. But that doesn't mean she wants us to spend hours in the kitchen, slaving over a hot stove. Featuring fabulous fast foods, ingenious shortcuts, terrific time-saving ideas, effortless entertaining tips, and simple, scrumptious meals, Nigella Express is her solution to eating well when time is short. Here are mouthwatering meals, quick to prepare and easy to follow, that you can conjure up after a day in the office or on a busy weekend for family or unexpected guests. This is food you can make as you hit the kitchen running, with vital advice on how to keep your pantry stocked and your freezer and fridge stacked. When time is precious, you can't spend hours shopping, so you need to make life easier by being prepared. Not that these recipes are basic -- though they are always simple -- but it's important to make every ingredient earn its place, minimizing effort by maximizing taste. Here too is great food that can be prepared quickly but cooked slowly in the oven, leaving you time to have a bath, a drink, talk to friends, or help the children with their homework--minimum stress for maximum enjoyment . . . Nigella Express features a new generation of fast food--never basic, never dull, always doable, quick, and delicious. Featuring recipes seen on Food Network's Nigella Express series.

Kitchen tells the story of the life of the kitchen, through the food we eat now and the way we live, in the most important room of the house. Compendious, informative and utterly engaging, Kitchen brings us feel-good food for cooks and eaters that is comforting but always seductive, nostalgic but with a modern twist — whether express-style easy-exotic recipes for the weekday rush, leisurely slow-cook dishes for weekends and special occasions, or irresistible cakes and cookies as the Domestic Goddess rides again. It answers everyday cooking quandaries — what to give the kids for lunch, how to rustle up a meal for friends in moments, or what to do about those black bananas, wrinkled apples and bullet-hard plums — and since real cooking is so often about leftovers, here one recipe can morph into another... from ham hocks to pea soup and pasties, from chicken to Chinatown salad. This isn't just about being thrifty but about being creative and seeing how recipes come about and evolve. As well as offering the reader a mouthwatering array of inspired new recipes — from clams with chorizo to Guinness gingerbread, from Asian braised beef to flourless chocolate lime cake, from pasta Genovese to Venetian carrot cake — Nigella rounds up her no-nonsense Kitchen Kit and Caboodle must-haves (and, crucially, what isn't needed) in the way of equipment and magical standby ingredients. But above all, she reminds the reader how much pleasure there is to be had in real food and in reclaiming the traditional rhythms of the kitchen, as she cooks to the beat of the heart of the home, creating simple, delicious recipes to make life less complicated. The expansive, lively narrative, with its rich feast of food, makes this new work a natural 21st-century successor to Nigella's classic How To Eat, this time with a wealth of photographs from the instructive to the glorious.

It's sensuous summer all year long with Nigella -- in a fabulous new cookbook that draws on the best from all over the world: to tie in with her new 8-part television series. Summer food doesn't have to be eaten just in summer. Even on our coldest days, indeed especially then, we need to summon up a little warmth on our plate. Summer cooking is relaxed cooking that conjures up a mood of sunny expansiveness: easy cooking, easy eating. No one wants to slave over a hot stove for hours: the keynote, as ever with Nigella, is simplicity. The ideal is of lazy abundance. The food of Italy and Spain, the fragrant mezze of the Eastern Mediterranean, the traditional strawberries-and-cream feel of an English summer afternoon: all these notes and flavours are reflected in Forever Summer. The uniting force is attitude as well as palate so the food is far-reaching but personalised, and fresh so that it fits in with the way we live. It's a way of celebrating summer while it lasts, and extending it into the months beyond. Forever Summer has the practical appeal of a cookbook as well as the aspirational lure of a travel book, the sort one might flick through longingly in winter, dreaming of much-needed sunshine.

Comprehensive, informative, and engaging, Nigella Kitchen offers feel-good food for cooks and eaters that is comforting yet always seductive, nostalgic but with a modern twist--whether super-fast exotic recipes for the weekday rush, leisurely slow-cook dishes for weekends and special occasions, or irresistible cakes and cookies in true "domestic goddess" style. Nigella Kitchen answers everyday cooking quandaries--what to feed a group of hungry teenagers, how to rustle up a spur-of-the-moment meal for friends, or how to treat yourself when you're home alone--and since real cooking is so often about leftovers, here one recipe can morph into another . . . from ham hocks in cider to cidery pea soup, from "praised" chicken to Chinatown salad. This isn't just about being thrifty; it's about being creative and seeing how recipes evolve. With 190 mouthwatering and inspiring recipes, including more than 60 express-style recipes (30 minutes or under), Nigella Kitchen offers plenty of choice--from clams with chorizo to Guinness gingerbread, from Asian braised beef shank to flourless chocolate lime cake, from pasta alla Genovese to Venetian carrot cake. In addition, Nigella presents her no-nonsense kitchen kit must-haves (and crucially what isn't needed) in the way of equipment and magical standby ingredients. But above all, she reminds the reader how much pleasure there is to be had in real food and in reclaiming the traditional rhythms of the kitchen, as she cooks to the beat of the heart of the home, creating simple, delicious recipes to make life less complicated. Gorgeously illustrated, this expansive, lively narrative, with its rich feast of food, is destined to be a twenty-first-century classic.
