The automotive industry appears close to substantial change engendered by " self-driving " technologies. This technology offers the possibility of significant benefits to social welfare—saving lives; reducing crashes, congestion, fuel consumption, and pollution; increasing mobility for the disabled; and ultimately improving land use. This report is intended as a guide for state and federal policymakers on the many issues that this technology raises.

Gareth Ford, with a cloud still hanging over him because of his involvement in the Gwardar Gold Heist, has decided to make a new beginning in the iron mines of Newman. But when he returns home from the night shift and finds his flatmate has been murdered, suspicion quickly falls upon him. He, however, fears he himself was the real target and soon discovers he is being tailed. He summons his old ally from the Gold Squad, DC Rose Kavanagh, and soon they find themselves in Marble Bar, searching for the Gwardar Gold and being pursued by a variety of desperadoes, each with their own agendas.
