students to the essay as a genre.

For more than 60 years, this text has led the way in preparing students for a lifetime of listening to great music and understanding its cultural and historical context. The Thirteenth Edition builds on this foundation with NEW coverage of performance and musical style. NEW tools help students share their deepening listening skills and appreciation in writing and conversation.

Emphasizing the relevance of

politics and government in everyday life, *We the People* provides tools to help students think critically about American government and politics. The Sixth Edition has been carefully updated to reflect most recent developments, including the ongoing conflict in Iraq and the 2006 midterm elections. Complemented by a rich package of multimedia tools for instructors and students, including a new video-clip DVD, *We the People* is now more pedagogically effective than ever.

each section begins with an excerpt from an influential American cookbook, progressing chronologically from the late 1700s through the present day, including such favorites as *American Cookery*, *the Joy of Cooking*, and *Mastering the Art of French Cooking*. The literary works within each section are an extension of these cookbooks, while the cookbook excerpts in turn become pieces of literature--forms of storytelling and memory-making all their own. Each section offers a delectable assortment of poetry, prose, and essays, and the selections all include at

least one tempting recipe to entice readers to cook this book. Including writing from such notables as Maya Angelou, James Beard, Alice B. Toklas, Sherman Alexie, Nora Ephron, M.F.K. Fisher, and Alice Waters, among many others, *Books that Cook* reveals the range of ways authors incorporate recipes--whether the recipe flavors the story or the story serves to add spice to the recipe. *Books that Cook* is a collection to serve students and teachers of food studies as well as any epicure who enjoys a good meal alongside a good book.

The gold standard anthology

for anyone who wants to understand the development and current state of literary theory. Offering 191 pieces by 157 authors, *The Norton Anthology of Theory and Criticism, Third Edition*, is more comprehensive and more varied in its selection than any other anthology. Forty-eight NEW selections—concentrated mostly on the twentieth and twenty-first centuries—make the book not only the best overview of the history of theory, but also a remarkably up-to-date portrait of the state of theory today.
