Midnight Driver I choose to listen, even though it didn't get great reviews. I was not disappointed. The story reminded me of the old Afterschool Specials. Kind of predictable, but not bad if you allow yourself to just go along for the ride. You know 10 minutes in that there will be a lesson to learn by the end of the story.

After being assigned to perform community service at a nursing home, sixteen-year-old Alex befriends a cantankerous old man who has some lessons to impart about jazz guitar playing, love, and forgiveness.

Just when you thought you had it all figured out . . . "Alex Peter Gregory, you are a moron!" Laurie slammed her palms down on my desk and stomped her foot. I get a lot of that. One car crash. One measly little car crash. And suddenly,

I'm some kind of convicted felon. My parents are getting divorced, my dad is shacking up with my third-grade teacher, I might be in love with a girl who could kill me with one finger, and now I'm sentenced to babysit some insane old guy. What else could possibly go wrong? This is the story of Alex Gregory, his guitar, his best gal pal Laurie, and the friendship of a lifetime that he never would have expected.

hearts at the same time. Thirteen-year-old Steven has a totally normal life: he plays drums in the All-Star Jazz band, has a crush on the hottest girl in the school, and is constantly annoyed by his five-year-old brother, Jeffrey. But when Jeffrey is diagnosed with leukemia, Steven's world is turned upside down. He is forced to deal with his brother's illness and his parents' attempts to keep the family in one piece. Salted with humor and peppered with devastating realities, **DRUMS, GIRLS, AND DANGEROUS PIE** is a heartwarming journey through a year in the life of a family in crisis.

Jeffrey isn't a little boy with cancer anymore. He's a teen

who's in remission, but life still feels fragile. The aftereffects of treatment have left Jeffrey with an inability to be a great student or to walk without limping. His parents still worry about him. His older brother, Steven, lost it and took off to Africa to be in a drumming circle and "find himself." Jeffrey has a little soul searching to do, too, which begins with his escalating anger at Steven, an old friend who is keeping something secret, and a girl who is way out of his league but who thinks he's cute.

An unbelievably hilarious middle-grade true story from bestselling author Jordan Sonnenblick. In a typical school

year, every kid has one or two things go wrong. But for Jordan, there's A LOT going wrong ALL THE TIME. Take this year. Here are some of the thing going wrong: -- His teacher hates him. Like, really hates him. Like, is totally out to get him even when he's trying to be good, and is willing to fail him on the simplest things, like show and tell. -- He has a slight breathing problem because of his asthma. And breathing is never really an optional activity. -- His pet snake has given birth to way, way, way too many baby snakes, all who need a home. -- He is finding that becoming The World's Best Drummer in no time whatsoever is maybe not the easiest goal. -- There are bullies ready to stomp him when all he has to defend himself with is a lunchbox. And all this doesn't even include the freak swing set accident, the fears inside his

head, or the funniest class presentation ever. By keeping his cool (some of the time), banging on the drums (a lot), and keeping his sense of humor (all the time), Jordan's going to try to make it through the year... and grow up to write a book about it!

A boy's imaginary friend is driving him crazy in *Dodger and Me*, the first installment of a hilarious new series by acclaimed author Jordan Sonnenblick. What would you do if your best friend was: 1. Imaginary? 2. An oversize blue chimp in surfer shorts? (Potentially embarrassing, but hey, no one else can see him . . . right?) 3. Proposing a plan to help you improve your life? 4. Did we say imaginary? 5. Driving you crazy?!?! Now you have an idea of what Willie Ryan's life is like when
