An account of the bitter 1948 dispute between the Arabs and Jews over Jerusalem, highlights the role of the British as well as prominent individuals in the struggle Entering British-occupied Palestine in 1918, Mary Russell and Sherlock Holmes soon find themselves engaged in a desperate mission for His Majesty's government, accompanied by two mysterious Arab figures and pursued by murderous strangers.

The peril and promise of contemporary Jewish identity.

The New York Times bestseller from the author of Watchmen and V for Vendetta finally appears in a one-volume paperback. Begging comparisons to Tolstoy and Joyce, this " magnificent, sprawling cosmic epic " (Guardian) by Alan Moore—the genre-defying, " groundbreaking, hairy genius of our generation " (NPR)—takes its place among the most notable works of contemporary English literature. In decaying Northampton, eternity loiters between housing projects. Among saints, kings, prostitutes, and derelicts, a timeline unravels: second-century fiends wait in urine-scented stairwells, delinquent specters undermine a century with tunnels, and in upstairs parlors, laborers with golden blood reduce fate to a snooker tournament. Through the labyrinthine streets and pages of Jerusalem tread ghosts singing hymns of wealth and poverty. They celebrate the English language, challenge mortality post-Einstein, and insist upon their slum as Blake ' s eternal holy city in " Moore ' s apotheosis, a fourth-dimensional symphony " (Entertainment Weekly). This " brilliant . . . monumentally ambitious " tale from the gutter is " a massive literary achievement for our time—and maybe for all times simultaneously " (Washington Post).

Elijah in Jerusalem, the long awaited sequel to the acclaimed best-selling novel, Father Elijah: An Apocalypse , is the continuing story of the priest, Fr. Elijah. A convert from Judaism, and a survivor of the Holocaust, he has for decades been a Carmelite monk on the mountain of the prophet Elijah. In the events of the preceding novel, Father Elijah, the central character confronted the President of the European Union, a man rising toward global control as President of the soon to be realized World Government. The Pope recognized in the President certain qualities that are anti-Christ, and asked Fr. Elijah to call the man to repentance, though his attempts at this prove to be unsuccessful. In this sequel, now-Bishop Elijah, accompanied by his fellow monk Brother Enoch, enter Jerusalem just as the President arrives in the city to inaugurate a new stage of his rise to power. They hope to unmask him as the Antichrist prophesied by Scripture and to warn the world of the imminent spiritual danger to mankind. As the story unfolds, people of many kinds meet the undercover priest, and in the process their souls are revealed and tested, bringing about change for the good or for evil. Elijah perseveres in his mission even when all seems lost. The dramatic climax is surprising, yet it underlines that God works all things to the good for those who love Him, testifying to the truth that in the end Wisdom will be justified and Satan confounded.

" Stewart O ' Nan ' s City of Secrets will keep you up all night reading – what a beautifully crafted novel. " – Alan Furst, New York Times bestselling author of Mission to Paris From master storyteller Stewart O'Nan, author of Henry, Himself and Emily, Alone, a timely moral thriller of the Jewish underground resistance in Jerusalem after the Second World War In 1945, with no homes to return to, Jewish refugees by the tens of thousands set out for Palestine. Those who made it were hunted as illegals by the British mandatory authorities there and relied on the underground to shelter them; taking fake names, they blended with the population, joining the wildly different factions fighting for the independence of Israel. From master storyteller Stewart O'Nan, author of Emily, Alone and Henry, Himself, City of Secrets follows one survivor, Brand, as he tries to regain himself after losing everyone he's ever loved. Now driving a taxi provided—like his new identity—by the underground, he navigates the twisting streets of Jerusalem as well as the overlapping, sometimes deadly loyalties of the resistance. Alone, haunted by memories, he tries to become again the man he was before the war—honest, strong, capable of moral choice. He falls in love with Eva, a fellow survivor and member of his cell, reclaims his faith, and commits himself to the revolution, accepting secret missions that grow more and more dangerous even as he begins to suspect he's being used by their cell's dashing leader, Asher. By the time Brand understands the truth, it's too late, and the tragedy that ensues changes history. A noirish, deeply felt novel of intrigue and identity written in O'Nan's trademark lucent style, City of Secrets asks how both despair and faith can lead us astray, and what happens when, with the noblest intentions, we join movements beyond our control.

An archaic manuscript contains a secret, one that could change the world ... The second in the series, from the author of The Istanbul Puzzle.

Michael O'Brien presents a thrilling apocalyptic novel about the condition of the Roman Catholic Church at the end of time. It explores the state of the modern world, and the strengths and weaknesses of the contemporary religious scene, by taking his central character, Father Elijah Schäfer, a Carmelite priest, on a secret mission for the Vatican which embroils him in a series of crises and subterfuges affecting the ultimate destiny of the Church. Father Elijah is a convert from Judaism, a survivor of the Holocaust, a man once powerful in Israel. For twenty years he has been "buried in the dark night of Carmel" on the mountain of the prophet Elijah. The Pope and the Cardinal Secretary of State call him out of obscurity and give him a task of the highest sensitivity: to penetrate into the inner circles of a man whom they believe may be the Antichrist. Their purpose: to call the Man of Sin to repentance, and thus to postpone the great tribulation long enough to preach the Gospel to the whole world. In this richly textured tale, Father Elijah crosses Europe and the Middle East, moves through the echelons of world power, meets saints and sinners, presidents, judges, mystics, embattled Catholic journalists, faithful priests and a conspiracy of traitors within the very House of God. This is an apocalypse in the old literary sense, but one that was written in the light of Christian revelation.

Finalist for the Book Club category of the 2016 National Jewish Book Awards. The #1 International Best Seller, The Beauty Queen of Jerusalem is a dazzling novel of mothers and daughters, stories told and untold, and the ties that bind four generations of women. Gabriela's mother Luna is the most beautiful woman in all of Jerusalem, though her famed beauty and charm seem to be reserved for everyone but her daughter. Ever since Gabriela can remember, she and Luna have struggled to connect. But when tragedy strikes, Gabriela senses there's more to her mother than painted nails and lips. Desperate to understand their relationship, Gabriela pieces together the stories of her family's previous generations—from Great-Grandmother Mercada the renowned healer, to Grandma Rosa who cleaned houses for the English, to Luna who had the nicest legs in Jerusalem. But as she uncovers shocking secrets, forbidden romances, and the family curse that links the women together, Gabriela must face a past and present far more complex than she ever imagined. Set against the Golden Age of Hollywood, the dark days of World War II, and the swinging '70s, The Beauty Queen of Jerusalem follows generations of unforgettable women as they forge their own paths

through times of dramatic change. With great humor and heart, Sarit Yishai-Levi has given us a powerful story of love and forgiveness—and the unexpected and enchanting places we find each.

At the close of the year 1918, forced to flee England's green and pleasant land, Russell and Holmes enter British-occupied Palestine under the auspices of Holmes' enigmatic brother, Mycroft. "Gentlemen, we are at your service." Thus Holmes greets the two travel-grimed Arab figures who receive them in the orange groves fringing the Holy Land. Whatever role could the volatile Ali and the taciturn Mahmoud play in Mycroft's design for this land the British so recently wrested from the Turks? A recent rash of murders seems unrelated to the growing tensions between Jew, Moslem, and Christian, yet Holmes is adamant that he must reconstruct the most recent one in the desert gully where it occurred. His singular findings will lead him and Russell through labyrinthine bazaars, verminous inns, cliff-hung monasteries - and into mortal danger.
