Summary. Lennie is by the deep pool of the Salinas River, waiting for George. He talks to himself, repeating that George will be mad and give him hell. From his memory, he creates his Aunt Clara, who stares disapprovingly and scolds him because once again he did not listen to George. Then Aunt Clara disappears and is replaced in Lennie's mind by a giant rabbit, who takes Aunt Clara's job of scolding Lennie and tells him he cannot tend the rabbits and that George will beat Lennie with a stick.

Of Mice and Men - CliffsNotes

chapter 1 - Of Mice and Men by John Steinbeck A few miles south of Soledad, the Salinas River drops in close to the hillside bank and runs deep and green. The water is warm too, for it has slipped twinkling over the yellow sands in the sunlight before reaching the narrow pool.

Tells a story about the strange relationship of two migrant workers who are able to realize their dreams of an easy life until one of them succumbs to his weakness for soft, helpless creatures and strangles a farmer's wife.

A controversial tale of friendship and tragedy during the Great Depression A Penguin Classic Over seventy-five years since its first publication, Steinbeck's tale of commitment, loneliness, hope, and loss remains one of America's most widely read and taught novels. An unlikely pair, George and Lennie, two migrant workers in California during the Great Depression, grasp for their American Dream. They hustle work when they can, living a hand-to-mouth existence. For George and Lennie have a plan: to own an acre of land and a shack they can call their own. When they land jobs on a ranch in the Salinas Valley, the fulfillment of their dream seems to be within their grasp. But even George cannot guard Lennie from the provocations, nor predict the consequences of Lennie's unswerving obedience to the things George taught him. Of Mice and Men represents an experiment in form, which Steinbeck described as "a kind of playable novel, written in a novel form but so staged and set that it can be played as it stands." A rarity in American letters, it achieved remarkable success as a novel, a Broadway play, and three acclaimed films. This edition features an introduction by Susan Shillinglaw, one of today's leading Steinbeck scholars. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

This is the first book not only to detail the relationships neoliberalism encourages us to have but also to see how friendship can provide a bulwark of resistance to it. Written in an engaging style, it will be understandable to political theorists, philosophers, social scientists, and cultural theorists.

First published in 1937, *Of Mice and Men* has been a staple of American literature ever since. Divided by decade, *The Essential Criticism of John Steinbeck's Of Mice and Men* provides an overview of criticism over the 70 years the book has been in print. Michael J. Meyer has assembled significant articles and book excerpts from critics and reviewers, citing the early book reviews and highlighting some of the most significant essays. While not all critical studies are included, those assessments not present in the text are evaluated by summaries and their bibliographic citations are given. The essays express various critical approaches, including those that criticize the book and examine what some consider the book's flaws. Ideal for research work at all levels, this volume collects in one place the most significant contributions to the study of the novel, making it a welcome addition to the canon of Steinbeck criticism.

Andy tackles his guilt and grief in the first book of Sharon M. Draper's award-winning Hazelwood High trilogy. Tigers don't cry—or do they? After the death of his longtime friend and fellow Hazelwood Tiger in a car accident, Andy, the driver, blames himself and cannot get past his guilt and pain. While his other friends have managed to work through their grief and move on, Andy allows death to become the focus of his life. In the months that follow the accident, the lives of Andy and his friends are traced through a series of letters, articles, homework assignments, and dialogues, and it becomes clear that Tigers do indeed need to cry.
