In this " inspiring inside tour of the human toll, and the satisfactions of becoming a cop " (The New York Times), Irish immigrant and retired NYPD homicide detective Luke Waters takes us inside the New York City police department and offers a glimpse at the grit, the glory, and the sometimes darker side of the police force. Growing up in the rough outskirts of northern Dublin at a time when joining the guards, the army, or the civil service was the height of most parents ' ambitions for their children, Luke Waters knew he was destined for a career in some sort of law enforcement. Dreaming of becoming a police officer, Waters immigrated to the United States in search of better employment opportunities and joined the NYPD. Despite a successful career with one of the most formidable and revered police forces in the world, Waters ' s reality as a cop in New York was a far cry from his fantasy of serving and protecting his community. Over the course of a career spanning more than twenty years—from rookie to lead investigator, during which time he saw New York transform from the crack epidemic of the nineties to the low crime stats of today—Waters discovered that both sides of the law were entrenched in crooked culture. Balanced with wit and humor, NYPD Green features colorful characters Waters has met along the way as well as a " surprisingly frank " (Kirkus Reviews) and critical look at the darker side of police work. A multifaceted and engaging narrative about the immigrant experience in America, Waters ' s story is also one of personal growth, success, and disillusionment—a rollicking journey through the day-to-day in the New York Police Department.

A police reporter offers an up-close look inside the daily lives of North Carolina ' s state troopers. Like most law enforcement, their shifts can be filled with long stretches of tedium. They stay at the roadside, watching vehicles rush by, occasionally handing out a speeding ticket or pulling over a drunk driver. Then, suddenly, it can all turn dangerous, when someone pulls a weapon—or heartbreaking, when they are called to the scene of a wreck. This portrait of North Carolina ' s elite Highway Patrol recounts both the drama and the day-to-day detail of these state troopers ' lives and work. In interviews and anecdotes, troopers relate stories of manhunts, narrow misses, breathtaking confrontations, strange and hilarious encounters with the public, and aiding the injured and dying in highway accidents, while troopers ' spouses—and widows—tell of the heart-wrenching realities trooper families face. It ' s a fascinating look inside a little-known profession, and the lives of the men and women who watch over us as we travel along—preferably obeying traffic laws as we go.

Police officers fight for justice with the help of their brave K-9 partners in the True Blue K-9 Unit series. After K-9 unit administrative assistant Sophie Walters spots a suspicious stranger lurking at the K-9 graduation, the man kidnaps her—and she barely escapes. With Sophie ' s boss missing and someone determined to silence her, NYPD officer Luke Hathaway vows he and his K-9 partner will guard her. But he must keep an emotional distance to ensure this mission ends in justice...not cold-blooded murder. Experience more action-packed mystery and suspense in the rest of the True Blue K-9 Unit series: Book 1: Justice Mission by Lynette Eason Book 2: Act of Valor by Dana Mentink Book 3: Blind Trust by Laura Scott Book 4: Deep Undercover by Lenora Worth Book 5: Seeking the Truth by Terri Reed Book 6: Trail of Danger by Valerie Hansen Book 7: Courage Under Fire by Sharon Dunn Book 8: Sworn to Protect by Shirlee McCoy Book 9: True Blue K-9 Unit Christmas by Laura Scott and Maggie K. Black From Love Inspired Suspense: Courage. Danger. Faith.

The controversial New York City police commissioner and New York Times bestselling author of The Lost Son shares the story of his fall from grace and the effects of his incarceration on his views of the American justice system. Bernard Kerik was New York City ' s police commissioner during the 9/11 attacks, and became an American hero as he led the NYPD through rescue and recovery efforts of the World Trade Center. His resumé as a public servant is long and storied, and includes receiving a Medal of Honor. In 2004, Kerik was nominated by George W. Bush to head the Department of Homeland Security. Now, he is a former Federal Prison Inmate known as #84888-054. Convicted of tax fraud and false statements in 2007, Kerik was sentenced to four years in federal prison. Now, for the first time, he talks candidly about what it was like on the inside: the torture of solitary confinement, the abuse of power, the mental and physical torment of being locked up in a cage, the powerlessness. With newfound perspective, Kerik makes a plea for change and illuminates why our punishment system doesn ' t always fit the crime. In this extraordinary memoir, Kerik reveals his unprecedented view of the American penal system from both sides: as the jailer and the jailed. With astonishing candor, bravery, and insider ' s intelligence, Bernard Kerik shares his fall from grace to incarceration, and turns it into a genuine and uniquely insightful argument for criminal justice reform.

A Year In Bushwick is set in the 1970's a time before Facebook and cell phones. A time when what happened on the street stayed on the street. It is the story of a cop and the squad he worked with in the strangest precinct in New York City. Headquarters once advised a Captain who had been assigned as Commanding Officer that the 83 Precinct was a cross between a Foreign Legion Outpost and a leper colony. This book follows Sean Quigley a cop in the 83 precinct for one year from New Year's Eve at Times Square to Brooklyn and back to Times Square. It is the fictional memoir of a fictional cop assigned to that precinct. You will meet the strange cops that inhabited that precinct, the nurses from a local hospital and those who lived in the confines of the command. They were he last of the cowboy cops. The story covers the gamut of human emotion and experience. There is tragedy, horror, sex, violence, boredom and a good deal of comedy.

Michael Chenault, award-winning investigative journalist with the New York Times, is rousted in the middle of the night by NYPD detectives and accused of the bizarre murder of a complete stranger. After clearing himself, Chenault finds that Martin Koplanski, the retired history professor he'd been accused of murdering, was likely killed for a mysterious Mormon relic long thought to be just a myth. Twenty-four hours later, Chenault receives an email with a photo of the recently murdered wife of Presidential candidate, Brockston Ratchford. She too appears to have been ritually killed in the exact manner as Koplanski, right down to having the same cryptic character scrawled in blood across her forehead. With way more than just a hunch to now go on, Chenault heads out to Salt Lake City, the site of the Ratchford murder investigation, to find out what, if any, connection there is between the murders. With the help of a beautiful young reporter he meets along the way, Chenault comes to learn the dark family secrets of a rising political star, along with the rather strange but true history of the Mormon church. As he pieces the story together of what appears to be an ever-growing conspiracy, Chenault is pursued by The Brothers, two murderous zealots who will stop at nothing to retrieve the Mormon relic Chenault is also trying to find. What Chenault eventually discovers is that what he's uncovered may not only affect the outcome of the next Presidential election, but decide the fate of an entire religion-if he can manage to stay alive. In the tradition of Raymond Khoury, Brad Meltzer, Dan Brown and Steve Berry, The Moroni Deception is a cleverly conceived, twisting tale of political and religious intrigue by a new master of the conspiracy thriller.

In 1845 a blight of unknown origin destroyed the potato crop in Ireland triggering a series of events that would change forever the course of Ireland's history. The British government called the famine an act of God. The Irish called it genocide. By any name the famine caused the death of over one million men, women, and children by starvation and disease. Another two million were forced to flee the country. With the famine as a backdrop, this is a story about two families as different as coarse wool and fine silk. Michael Ranahan, the son of a tenant farmer, dreams of breaking his bondage to the land and going to America. The passage money has been saved. He's made up his mind to go. And then-the blight strikes and Michael must put his dream on hold. The landlord, Lord Somerville, is a compassionate man who struggles to preserve a way of life without compromising his ideals. To add to his troubles, he has to deal with a recalcitrant daughter who chafes at being forced to live in a country of "bog runners."In The Time Of Famine is a story of survival. It's a story of duplicity. But most of all, it's a story of love and sacrifice.

Meet New York's Finest-three hot brothers sworn to protect and serve the city they love . . . and the women who've stolen their hearts. Vincent Moretti is one of the NYPD's top homicide detectives-and one of the most eligible bachelors in town. His family, however, thinks he should date his longtime partner, Jill-a sassy, sexy, smart-mouthed blonde who drives him absolutely crazy. Behind the quiet authority, tough-guy demeanor, and dark aviator glasses lies a man with a big soul-and a hard body that can soften any girl's heart. After years as his coworker, Jill Henley has given up hope that anything could happen between her and Vin. Besides, loving him would break all the rules. But seeing Jill with someone else triggers feelings in Vincent he never knew he had. Now he'll have to stop playing good cop/bad cop-and find a way to convince her to be his partner for life. . .

NEW Book to help you ace the MTA Police Officer Exam! Seven reasons why you should study with this book: 1. This book was prepared by Angelo Tropea, bestselling author of exam preparation books. The large format of this book (8.5 X 11 inches) maximizes the clarity of informational tables, street maps, and other images. 7. The price of this book is a small amount to invest for such a large return! Study with this valuable book - and prepare for success!

A Prayer Before Dawn is the true story of one man ' s fight to survive inside Klong Prem Prison, the notorious Bangkok Hilton. Billy Moore travelled to Thailand to escape a life of drug addiction and alcoholism. He managed to overcome his inner demons for a time but relapsed after trying ya ba – a highly-addictive form of methamphetamine. Moore ' s life quickly descended into chaos, drug dealing and violence until he was eventually arrested and imprisoned in Klong Prem, a place where life has no value. A Prayer Before Dawn is no ordinary prison memoir; it ' s the story of one man ' s struggle to survive in one of the world ' s toughest prisons. It ' s also a story of redemption in the most unlikely of places. Billy Moore was born in Liverpool, England. He has worked as a teacher, Muay Thai fighter and extra on film sets. Following his release from prison in Thailand, he returned to Britain where he now lives with his family. He is now working as a motivational speaker and a drugs counselor.
