Padres Fuertes Hijas Felices

La doctora Meeker demuestra que un factor determinante para que las jóvenes se conviertan en mujeres seguras y equilibradas es un padre fuerte que ejerza su papel con amor, cariño y confianza. Padres fuertes, hijas felices revela: Hasta qué punto los consejos y el testimonio vital de los padres influye en vida de las hijas. Desde el uso de drogas, alcohol y tabaco a la autoestima, el equilibrio emocional, o al modo de relacionarse con los chicos. Por qué las chicas dependen del cariño y de la compañía de sus padres, incluso más allá de sus años universitarios. La receta para el desastre: la idea de que las chicas " necesitan cometer sus propios errores y aciertos ". Cómo comunicarse con su hija, y cómo no hacerlo. En una época en la que cada vez se insiste más en " difuminar " la distinción natural entre el papel del padre y de la madre, en que da igual si la familia está compuesta por dos padres o dos madres, o si es monoparental, este libro demuestra que el rol de padre es bastante más influyente de lo que muchos hombres imaginan. Además de la relación maternal, las hijas necesitan del apoyo que sólo un padre puede dar, y si los padres están dispuestos a seguir los consejos de la doctora Meeker sobre cómo educar a sus hijas, su recompensa será excepcional.

Inspiration for the motion picture streaming August 1 on Pure Flix! Drawing on her thirty years’ experience practicing pediatric and adolescent medicine, teen health expert Dr. Meg Meeker explains why an active father figure is maybe the single most important factor in a young woman’s development. In this invaluable guide, Meeker shows how a father can be both counsel and protector for his daughter as she grows into a spiritually and mentally strong young woman. From cradling his newborn to walking her down the aisle, a father must relish his paramount responsibility—guiding the course of his daughter’ s life. Meeker reveals • how a man can become a "strong father" • how a father’s guidance influences every part of a woman’s life, from her self-respect to her perspective on drugs, alcohol, and sex • how to lay down ground rules that are respected without creating distance in your relationship with your daughter • why you need to be your daughter’s hero • the mistakes most fathers make and their serious consequences • how to help daughters make their own good decisions and avoid disastrous mistakes • how a father’s faith will influence his daughter’s spiritual development • how to get through to you daughter, even during her toughest don’t-talk-to-me years • true stories of daughters who were on the wrong path—and how their fathers helped to bring them back Learn how to grow, strengthen, or rebuild your relationship with your daughter to better both your life and hers in the bestselling Strong Fathers, Strong Daughters: 10 Secrets Every Father Should Know.

A guide to raising boys discusses encouragement, spending time together, the role of outdoor activities, rules, virtue, and adressing important issues.

In this New York Times–bestselling book, Dr. Daniel Siegel shows parents how to turn one of the most challenging developmental periods in their children’ s lives into one of the most rewarding. Between the ages of twelve and twenty-four, the brain changes in important and, at times, challenging ways. In Brainstorm, Dr. Daniel Siegel busts a number of commonly held myths about adolescence—for example, that it is merely a stage of " immaturity " filled with often " crazy " behavior. According to Siegel, during adolescence we learn vital skills, such as how to leave home and enter the larger world, connect deeply with others, and safely experiment and take risks. Drawing on important new research in the field of interpersonal neurobiology, Siegel explores exciting ways in which understanding how the brain functions can improve the lives of adolescents, making their relationships more fulfilling and less lonely and distressing on both sides of the generational divide.

The author of Strong Fathers, Strong Daughters counsels mothers struggling with anxiety, low self-esteem and other common issues on how to embrace more positive habits, using inspirational stories and specific action plans based on living simply and rebalancing.

NATIONAL BESTSELLER • A coming-of-age classic, acclaimed by critics, beloved by readers of all ages, taught in schools and universities alike, and translated around the world—from the winner of the 2019 PEN/Nabokov Award for Achievement in International Literature. The House on Mango Street is the remarkable story of Esperanza Cordero, a young Latina girl growing up in Chicago, inventing for herself who and what she will become. Told in a series of vignettes-sometimes heartbreaking, sometimes deeply joyous-Sandra Cisneros' masterpiece is a classic story of childhood and self-discovery. Few other books in our time have touched so many readers. " Cisneros draws on her rich [Latino] heritage ... and seduces with precise, spare prose, creat[ing] unforgettable characters we want to lift off the page. She is not only a gifted writer, but an absolutely essential one. " —The New York Times Book Review

A call to dads to step up to the plate to become the loving, actively engaged father that a daughter needs for life and relational success. The relationship that matters most to your daughter isn't the one with her mother—it's the one with you, Dad. Her self-esteem, choices, behavior, character, and even her ideas about or choice of a marriage partner are all directly tied to you, as the most important representative to her of the male species. In Be the Dad She Needs You to Be Dr. Kevin Leman , internationally-known psychologist, New York Times best-selling author, and father of four daughters, will show you not only how to get the fathering job done and done well, but also how to: Make each daughter feel unique, special, and valued Discipline the right way . . . when it's needed Talk turkey about what guys are really thinking Keep the critical eye at bay Wave the truce flag when females turn your family room into a battleground Set your daughter up for life and relational success With some effort on your part (and very few dollars), you can gain the kind of relationship you dream of with your daughter—one based on mutual love and respect. The simple yet profound suggestions will transform you into the kind of man your daughter needs. . . for a lifetime.

"Your go-to gift for new fathers." — Dave Ramsey, New York Times bestselling author, motivational speaker, and radio host Whether you know it or not, if you're a dad, you ' e a hero—that's the message of bestselling author and pediatrician Meg Meeker. Even if you're struggling with all the demands of fatherhood, let Dr. Meeker reassure you: every man has it within him to be the hero father his children need. With simple step-by-step instructions and drawing on long experience—including her work with the NFL's Fatherhood Initiative—Dr. Meeker shows you how to be the father you want to be and your children need you to be. Discover why fathers are even more important to their children than their mothers are; why your children want you to be their hero—even if their relationship with you has been strained or distant; and secrets that can help divorced dads, widowed dads, and stepfathers maintain—or rebuild—a strong relationship with their children As Dr. Meeker writes, "If you want what is best for your children—if you want what is best for you—you should strive to be a hero father. In this book, I hope to show you how."

A choral novel on the hopes, disillusionments and betrayals of family life in Mexico. A rich Catholic rancher wants his four sons to become priests, while the boys themselves have other plans; a bereaved mother explains her daughter's life to the man who killed her; three daughters meet up around their father's coffin for the first time in ten years; a middle-aged couple meet by chance on a cruise-ship and wonder if they were once young lovers. The result is a picture of contemporary Mexico seen through a violently fragmented narrative, not unlike the internationally successful film Amores Perros. The stories are punctuated by a chorus, commenting as if in a Greek tragedy, crudely and un sentimentally on the underbelly of modern Mexican life, offering a raw but richly textured glimpse of the inequalities of that society - street children, junkies, dead rock icons, the ideal wife, a honeymoon gone wrong, a child suicide, a man faking his death and beginning a new life - that throw the middle-class dramas of the linked stories into harsh relief. Happy Families is a dramatic polyphony of the many conflicting strands of Latin America and the modern urban world.

A New York Times Bestseller Your chance to regroup, take a breath, and begin your life again awaits in the simple wisdom and heartwarming story of a man named Jones. Orange Beach, Alabama, is a simple town filled with simple people. But like all humans on the planet, the good folks of Orange Beach have their share of problems—marriages teetering on the brink of divorce, young adults giving up on life, business people on the verge of bankruptcy, as well as the many other obstacles that life seems to dish out to the masses. Fortunately, when things look the darkest, a mysterious man named Jones has a miraculous way of showing up. Communicating what he calls " a little perspective, " he explains that he has been given a gift of noticing things that others miss. " Your time on this earth is a gift to be used wisely, " he says. " Don ' t squander your words or your thoughts. Consider even the simplest action you take, for your lives matter beyond measure...and they matter forever. " The Noticer will provide you with: A better understanding of life ' s challenges and proper perspective for tackling them. Practical yet powerful methods of motivation, encouragement, and resolve for those who have been dealt " the bad hand. " A fresh and insightful perspective on how people can change their view of the world, find strength, and move beyond their problems. The story of Jones continues in The Noticer Returns, available now and Just Jones, releasing September 8th, 2020.
