designs that have never before appeared on Hische's hugely popular Daily Drop Cap blog, the Penguin Drop Caps series debuted with an 'A' for Jane Austen's *Pride and Prejudice*, a 'B' for Charlotte Brönte's *Jane Eyre*, and a 'C' for Willa Cather's *My Ántonia*. It continues with more perennial classics, perfect to give as elegant gifts or to showcase on your own shelves. R is for Rushdie. Set in an exotic Eastern landscape peopled by magicians and fantastic talking animals, Salman Rushdie's classic children's novel *Haroun and the Sea of Stories* inhabits the same imaginative space as *Gulliver's Travels*, *Alice in Wonderland*, and *The Wizard of Oz*. Haroun, a 12-year-old boy sets out on an

Affecting millions across the globe every day, international migration encompasses a wide range of concerns. It is not only a central dynamic in processes of globalization and government policy-making, but also a deeply personal topic that cuts to the heart of notions of identity, home and belonging. *International Migration and Social Theory* provides a clear map of this field, and shows how social theory can illuminate our understanding of the way we move around the globe. Explaining and critiquing a

wide range of theories, approaches and concepts, the text provides a new theoretical framework for future study and applies it to extended empirical case studies. The book explores core migration topics, from labour and lifestyle migration to refugees and the role of women, to shed light on the implications of migration at global, national and personal levels. This compelling text traces key trends in this diverse field to provide a clear overview of international migration today. It presents invaluable insights for students and researchers in Sociology, Politics and Migration Studies.

An authentic, heartfelt and compelling narrative – straight

from the horse's mouth – that reveals for the first time numerous unknown aspects of the life and times of one of the greatest legends of all time who stands out as a symbol of secular India. Dilip Kumar (born as Yousuf Khan), who began as a diffident novice in Hindi cinema in the early 1940s, went on to attain the pinnacle of stardom within a short time. He came up with spellbinding performances in one hit film after another – in his almost six-decade-long career – on the basis of his innovative capability, determination, hard work and never-say-die attitude. In this unique volume, Dilip Kumar traces his journey right from his birth to the present. In the process, he candidly recounts

his interactions and relationships with a wide variety of people not only from his family and the film fraternity but also from other walks of life, including politicians. While seeking to set the record straight, as he feels that a lot of what has been written about him so far is 'full of distortions and misinformation', he narrates, in graphic detail, how he got married to Saira Banu, which reads like a fairy tale! Dilip Kumar relates, matter-of-factly, the event that changed his life: his meeting with Devika Rani, the boss of Bombay Talkies, when she offered him an acting job. His first film was Jwar Bhata (1944). He details how he had to learn everything from scratch and how he had to develop his own distinct

histrionics and style, which would set him apart from his contemporaries. After that, he soon soared to great heights with movies such as Jugnu, Shaheed, Mela, Andaz, Deedar, Daag and Devdas. In these movies he played the tragedian with such intensity that his psyche was adversely affected. He consulted a British psychiatrist, who advised him to switch over to comedy. The result was spectacular performances in laugh riots such as Azaad and Kohinoor, apart from a scintillating portrayal as a gritty tonga driver in Naya Daur. After a five-year break he started his 'second innings' with Kranti (1981), after which he appeared in a series of hits such as Vidhaata, Shakti, Mashaal, Karma,

The winding streets and narrow alleys of Karolene hide many secrets, and Hitomi is one of them. Orphaned at a young age, Hitomi has learned to hide her magical aptitude and who her parents really were. Most of all, she must conceal her role in the Shadow League, an underground movement working to undermine the powerful and corrupt Arch Mage Wilhelm Blackflame. When the League gets word that Blackflame intends to detain—and execute—a leading political family, Hitomi volunteers to help the family escape. But there are more secrets at play than Hitomi's, and much worse fates than execution. When Hitomi

Street Corner Secrets challenges widespread notions of sex work in India by examining solicitation in three spaces within the city of Mumbai that are seldom placed within the same analytic frame—brothels, streets, and public day-wage labor markets (nakas), where sexual commerce may be solicited discretely alongside other income-generating activities. Focusing on women who migrated to Mumbai from rural, economically underdeveloped areas within India, Svati P. Shah argues that selling sexual services is one of a

number of ways women working as laborers may earn a living, demonstrating that sex work, like day labor, is a part of India's vast informal economy. Here, various means of earning—legitimized or stigmatized, legal or illegal—overlap or exist in close proximity to one another, shaping a narrow field of livelihood options that women navigate daily. In the course of this rich ethnography, Shah discusses policing practices, migrants' access to housing and water, the idea of public space, critiques of states and citizenship, and the discursive location of violence within debates on sexual commerce. Throughout, the book analyzes the epistemology of prostitution, and the silences and
