Features of Texas Real Estate License Exam Prep (TX-RELEP): - National Principles & Law Key Point Review (60 pages) - Real Estate Math Key Formula Review & Practice (17 pages) - Texas-Specific Laws and Practices (43 pages) - National Practice Tests (500 questions) - Texas Practice Tests

# Online Library Pearson Vue Study Guide

(125 questions) - Texas Sample Exam  
(100 questions) We know the real estate licensing exam can be tough, and very nerve-wracking to prepare for. That ' s why we created the Texas Real Estate License Exam Prep (TX-RELEP) the way we did. Since we have been managing real estate schools

# Online Library Pearson Vue Study Guide

and developing curriculum for forty years, we know how all this works – or fails to work. TX-RELEP is comprehensive in that it contains both key content review and testing practice. And the text review is Texas-specific – not just simplistic national content, but terse, relevant and

# Online Library Pearson Vue Study Guide

accurate Texas laws and regulations presented as a well-organized set of state ' key point reviews ' ideal for pre-test memorization. But let ' s not dismiss the importance of the national content either. TX-RELEP ' s national key point reviews are a succinct compression of tested national

# Online Library Pearson Vue Study Guide

principles and practices that comprise the national portion of state license exams from coast to coast. Our content is drawn from our own national textbook, Principles of Real Estate Practice – one of the most widely used principles textbooks in the country. Finally, our national

# Online Library Pearson Vue Study Guide

content, as well as our question selection, is further tailored to the state testing outline promulgated by Pearson Vue for Texas. Thus the breadth and depth of the law reviews and test questions reflect the topic emphasis of your state ' s testing service and your Texas license exam.

# Online Library Pearson Vue Study Guide

A word about the test questions... TX-RELEP ' s testing practice section consists of ten national practice tests, six state practice tests, and one state exam sample test. The practice tests are roughly 50 questions in length and the sample test is 100 questions. The test questions are designed to

# Online Library Pearson Vue Study Guide

cover the content covered by the law reviews – which reinforces your learning of the total body of information tested by your Texas exam. The questions are direct, to the point, and designed to test your understanding. When you have completed a given test, you can check

# Online Library Pearson Vue Study Guide

your answers against the answer key in the appendix. You may also note that each question ' s answer is accompanied by a brief explanation, or “ rationale ” to further reinforce your understanding. In the end, as you know, it ' s all up to you. Unlike other publications, we are not going to tell

# Online Library Pearson Vue Study Guide

you that using this book will guarantee that you pass your state exam. It still takes hard work and study to pass. But we have done our best here to get you ready. Following that, the most we can do is wish you the best of success in taking and passing your Texas real estate exam.

# Online Library Pearson Vue Study Guide

So good luck!! For Texas students looking for a Principles I & II prelicense textbook, Principles of Real Estate Practice in Texas is now available
