It is one of Australia's worst unsolved crimes. On a Friday afternoon as the wind down to the weekend begins, two women are held hostage in a hairdressing salon. They scream and fight for their lives, but they face a killer's frenzied rage. Two unlikely victims and an unlikely crime scene at an unlikely time of day. No motive, no weapon found, no known offender; but, someone, somewhere, knows the truth. It is a long time to keep such a shocking secret - it has now been more than 20 years. Former journalist Leonie Wallace overcomes her own fears to examine in depth this heinous crime, tracing the lives of those closely connected, including members of the victims' families, witnesses and suspects, to present some important and surprising revelations. This is a disturbing account, however, it is not just a book about murder. Many more layers exist. It is also a story of great courage and love as those at its epicentre continue their quest for justice and closure.

The story is about a Tamil immigrant family whose bread winner, a surgeon turned a civil servant namely Dr.Ratnam , experiences an avalanche of changes after Malaysia's independence from Britain and how that sadly changes him and those around him and through him the reader gets to know the many historical events like the bloodiest race riot between the Malay majority community and their Chinese counterparts who dominated the commerce and other events of Malaya/Malaysia from ancient times to the 21st century. The latter part of the book deals with the daughter of the family Oormila who runs away from an arranged marriage only to be pursued with vengeance untold by the spurned groom a certain interesting fellow named Kevin Venkat aka VK who utilizes a wizard to track and end her. So questions remain, whether she will be saved. Is by her family or by others? Could be the childhood friend Michael Soekatno a debonair of a character who hails from a wealthy and mysterious family who had broken her heart whilst she was pursuing her BA in England . And who amongst the friends and family she was familiar with had helped the wizard with inside information that assisted the wizard to get closer to ending her.
