Book 1 of the #1 New York Times bestselling This Man series! Young interior designer Ava O'Shea has no idea what awaits her at the Manor. A run-of-the-mill consultation with a stodgy country gent seems likely, but what Ava finds instead is Jesse Ward--a devastatingly handsome, utterly confident, pleasure-seeking playboy who knows no boundaries. Ava doesn't want to be attracted to this man, and yet she can't control the overwhelming desire that he stirs in her. She knows that her heart will never survive him and her instinct is telling her to run, but Jesse is not willing to let her go. He wants her and is determined to have her.

An open, inventively sensual couple, they've indulged every desire. But there are still more surprises to come in a heated romance by bestselling author Megan Maxwell. Jude is waking up to two stunning sights: the hot white sands of the Mexican Caribbean coast and the even hotter Eric Zimmerman. And he's hers forever. What more can she wish for from a man who's fulfilled every fantasy? The honeymoon isn't over yet. Eric has never felt so intimately close to the woman he loves. Heart, body, and soul, they're made for each other. And with a wife as insatiably kinky as he is, they're ready and willing to try anything. Can it get any better? It can, in ways Eric could only have dreamed of. But hopes and dreams, especially those of family, can be hard won. Because in their almost-perfect, almost-anything-goes love story, Jude and Eric must trust in each other and fight for what they want next--and what they want most. It's a new beginning. Together, against the odds, they are heading for the happy ever after they deserve.

Jo is an American woman in London, having crossed the ocean for a position at an elite auction house, one that Englishman Heath is also competing for, and their feelings for each other only add to this situation's complexity.

Primarily of the bildungsroman genre, Jane Eyre follows the emotions and experiences of its title character, including her growth to adulthood, and her love for Mr. Rochester, the byronic master of fictitious Thornfield Hall. In its internalisation of the action--the focus is on the gradual unfolding of Jane's moral and spiritual sensibility, and all the events are coloured by a heightened intensity that was previously the domain of poetry--Jane Eyre revolutionised the art of fiction. Charlotte Brontë has been called the 'first historian of the private consciousness' and the literary ancestor of writers like Joyce and Proust. The novel contains elements of social criticism, with a strong sense of morality at its core, but is nonetheless a novel many consider ahead of its time given the individualistic character of Jane and the novel's exploration of classism, sexuality, religion, and proto-feminism.
