BOOK 2 - FAME, available now!"All in all, one of the most awesome books I have ever read. I never, ever do this, but... 5.5/5" ""I swear this

author should write for TV. Meghan really gives great drama!" "You're an addiction I can't overcome, no matter how hard I try." - Rook Tyler His life consists of his best friend, Jack Daniels, his favorite drug of choice and women. Rook Tyler lives for performing at night and wasting the rest of his days washing away the pain from his childhood so he doesn't have to feel anything...ever. The only people he trusts are his band mates from Shattered Souls and he wants to keep it that way. His life was completely under control and simple until he heard the voice of Maisy Madison filter through The Tavern speakers. Growing up in the foster care system with her two other band mates from Twisted Perfection, Maisy finds herself doing pretty much anything to get her and her band noticed but nothing seems to be working. One lucky night, Shattered Souls, the most popular band in the country, decides to show up at their little concert and luckily signs them on the spot. But the arena venues and massive amount of fans isn't what has Maisy shaking in her heels. It's the deep baritone voice of Rook Tyler that has haunted her dreams for years which has her wondering if she can actually go through with the tour. The force is almost too strong. He can feel her everywhere he goes and no matter how much he tries to resist her, he finds himself gravitating towards Maisy, wanting to hold her, kiss her and touch her. He knows he shouldn't get involved. He knows no matter what, he will end up hurting her but he can't help it, his soul is connected to hers and the pull is too strong for him to resist. Rook warned her time and time again but she doesn't listen, she doesn't want to listen. She needs him and she doesn't care that she knows deep down in her heart that their relationship is going to end in disaster. She refuses to acknowledge that no matter what they do, their love is toxic.

There are exceptions to every rule. Jada Stanley is starting over, freeing herself from her past. Following the rules she's given herself is easy enough, until she meets HIM. He's gorgeous, cocky, and everything she needs to avoid, but that's easier said than done. Cane Alexander has his own set of guidelines, a plan to keep his life simple and free of complications. But Jada is a temptation he can't resist. As their lives entwine, they realize one thing: there's an exception to every rule.

BREAKING NEWS: The Bad Boy of Baseball, Maddox Paige, is totally and utterly whipped. Okay, that might not be the headlines in the newspaper this morning, but it's the reality of my current situation. It all started a month ago when I received a call from my best friend, Kinsley. She got a new job in Chicago and needed a place to stay. I've known the girl since I was five, what harm would it be to have her stay at my place for a while? Ha! Total disaster. Now instead of going out every night with my teammates, I'm couch surfing and sketching endless photos of my best friend . . . but that's the least of my concerns. The disaster, you ask? I'm rapidly falling head over cleats in love with my best friend, my roommate, and my number one fan. And she has no idea . . .

On a Caribbean island, the morning after a full moon, Felix Hobain tears through the market in a drunken rage. Taken away to sober up in jail, all that night he is gripped by hallucinations: the impoverished hermit believes he has become a healer, walking from village to village, tending to the sick, waiting for a sign from God. In this dream, his one companion, Moustique, wants to exploit his power. Moustique decides to impersonate a prophet himself, ignoring a coffin-maker who warns him he will die and enraging the people of the island. Hobain, half-awake in his desolate jail cell, terrorized by the specter of his friend's corruption, clings to his visionary quest. He will try to transform himself; to heal Moustique, his jailer, and his jail-mates; and to be a leader for his people. *Dream on Monkey Mountain* was awarded the 1971 Obie Award for a Distinguished Foreign Play when it was first presented in New York, and Edith Oliver, writing in *The New Yorker*, called it "a masterpiece." Three of Derek's Walcott's most popular short plays are also included in this volume: *Ti-Jean and His Brothers*; *Malcochon, or The Six in the Rain*; and *The Sea at Dauphin*. In an expansive introductory essay, "What the Twilight Says," the playwright explains his founding of the seminal dramatic company where these works were first performed, the Trinidad Theatre Workshop. First published in 1970, *Dream on Monkey Mountain and Other Plays* is an essential part of Walcott's vast and important body of work.

My life changed forever the night my husband died. I was left with a shattered heart, a heap of bills, and our daughter, EVERLEIGH. I don't want to rely on anyone, least of all CREW GENTRY. He's my first love and the man who almost destroyed me, the man who has let me down every time I've needed him. But when tragedy strikes a second time, Crew just might be my only hope. My life changed forever the night my brother died. I was left with a guilty conscience, a pile of mistakes, and little else. I take care of JULIA GENTRY, my brother's widow and the love of my life, and their daughter. I know she doesn't want my help, but she gets it anyway. I owe her that. When another disaster hits, I'm given the opportunity to make things right. I'm taking it. I'm willing to sacrifice it all.

Destiny can sneak up on you. Or it can smack you in the face. Hugh Latimer's coping with a few problems just now. A broken hand, missing the European rugby tour ... and a half-brother and sister who are playing havoc with his love life. Instead of packing down in the scrum, he's driving the carpool to ballet--or forgetting it's his turn. When he hears his neighbor wailing out bad pop in the wee hours, it's the last straw. Josie Pae Ata is a fortunate woman. A new house, good friends, a gorgeous boyfriend--oh, and stardom, too. Getting involved with her new neighbors would bring risks she doesn't need. But life has a way of changing the rules. And when you get more than you can handle, sometimes all you can do is hang on for the ride.

Reese King: Olympic medalist, underwear model, Greek god. His body is chiseled from rock, sculpted by the weight room, and refined by water. On a daily basis his skin is completely bare for everyone to see, tan and defined, only covered up by a minuscule piece of spandex. There is no denying his sex appeal. I hate to admit it, but I'm head over heels infatuated with him. There is one HUGE problem though. His achingly gorgeous abs, inked up arm, and cocky swagger belong to my boss, the high-profile, reality star bitch from hell and certified heinous human being, Bellini Chambers. What I think is going to be an easy job assisting a glorified wench turns into a cluster f*ck of epic proportions.
