Mastering Chinese is a modern, engaging, highly illustrated course in Mandarin Chinese, teaching conversational skills, good pronunciation and the beginnings of reading and

Download Free Practical Audio Visual Chinese 2nd

writing the intriguing
Chinese script. Based on the
author's 10 years of
experience teaching Chinese
in the UK and in China, this
carefully structured and
well-paced course will soon
give you the confidence to

Download Free Practical Audio Visual Chinese 2nd

Communicate well in Chinese in both social and business settings. - Designed for complete beginners, with a wealth of interactive practice to build your confidence. - Teaches Mandarin Chinese which is

Download Free Practical Audio Visual Chinese 2nd

spoken by over one billion people, and is the official language of mainland China, Taiwan and Singapore. -
Suitable for study at home or in the classroom - learn at your own pace with this friendly, fun and

Download Free Practical Audio Visual Chinese 2nd

fascinating introduction. -
Covers a variety of everyday
situations you will
encounter in China, on
holiday or travelling for
business. - Full of cultural
insights to help you
understand the customs and

Download Free Practical Audio Visual Chinese 2nd

practices of modern China.

Additional material is available to accompany this book at www.palgrave.com/modernlanguages/xiang This product is the book only.

Mastering Chinese is also available in a complete pack

Download Free Practical Audio Visual Chinese 2nd

with 2 CDs (ask for ISBN
978-0-230-20055-5). The CDs
can be purchased separately
(ISBN 978-0-230-20054-8).

is an innovative multimedia course for advanced students of Chinese. Written by a team of highly experienced instructors, the book offers advanced learners the opportunity to consolidate their knowledge of Chinese

Download Free Practical Audio Visual Chinese 2nd Edition File Type

through a wide range of activities designed to build up both excellent language skills and cultural literacy. Divided into four thematic units covering popular culture, social change, cultural traditions,

Download Free Practical Audio Visual Chinese 2nd

and politics and history,
with each unit presenting
three individual lessons,
the volume provides students
with a structured course
which efficiently supports
the transition from an
intermediate to an advanced

Download Free Practical Audio Visual Chinese 2nd

level. The many different texts featured throughout the lessons present interesting and accurate information about contemporary China and introduce students to useful vocabulary, speech patterns,

Download Free Practical Audio Visual Chinese 2nd

and idiosyncratic language usage. Key features include Lively and detailed discussions of grammatical points and sentence patterns Engaging exercises for developing grammatical concepts and insight into

Download Free Practical Audio Visual Chinese 2nd

the character writing system
Systematic review of earlier
material to ensure
consolidation of learning
Coverage of diverse and
culturally relevant topics
such as online dating,
changing views of marriage,

Download Free Practical Audio Visual Chinese 2nd

food culture, Confucianism
and democracy in China.
Extensive cultural and
historical notes providing
background to the subjects
presented Complementary CDs
to enhance listening skills.

Download Free Practical Audio Visual Chinese 2nd Edition File Type

This introduction to
Mandarin Chinese is designed
for those with little or no
prior experience in the
language.

Ideal for: Beginning.

Compiled under the

Page 77/111

Download Free Practical Audio Visual Chinese 2nd Edition File Type

sponsorship of the China National Office for Teaching Chinese as a Foreign Language (NOTCFL) and in consultation with the Chinese Proficiency Test (HSK) Guidelines, the New Practical Chinese Reader

Download Free Practical Audio Visual Chinese 2nd

(NPCR) series is designed to help native English speakers easily learn Chinese. Based on the time-tested Practical Chinese Reader (PCR), the entirely revised and updated NPCR combines the grammatical strengths of the

Download Free Practical Audio Visual Chinese 2nd

old PCR with contemporary material and more emphasis on learning to use Chinese in everyday conversation. NPCR consists of 70 lessons in six volumes, covering beginning to intermediate levels, for three years of

Download Free Practical Audio Visual Chinese 2nd

Instruction File Type
include balanced training in
speaking, pronunciation,
grammar, and vocabulary;
gradual increases in
difficulty, and a cyclical
approach to learning with
constant review of language

Download Free Practical Audio Visual Chinese 2nd

structures, functions, and cultural knowledge; an abundance of practice material suitable for students to use inside and outside the classroom; and a new, systematic approach to the teaching of Chinese

Download Free Practical Audio Visual Chinese 2nd

characters. Students first learn the fundamental rules of Chinese script and basic strokes, and then progress to simple characters that form the foundation for mastering multi-component words.

Download Free Practical Audio Visual Chinese 2nd Edition File Type

Learning Chinese can be frustrating and difficult, partly because it's very different from European languages. Following a teacher, textbook or language course is not

Download Free Practical Audio Visual Chinese 2nd

Edition File Type
enough. They show you the characters, words and grammar you need to become proficient in Chinese, but they don't teach you how to learn them! Regardless of what program you're in (if any), you need to take

Download Free Practical Audio Visual Chinese 2nd

responsibility for your own learning. If you don't, you will miss many important things that aren't included in the course you're taking. If you study on your own, you need to be even more aware of what you need to

Download Free Practical Audio Visual Chinese 2nd Edition File Type

do, what you're doing at the moment and the difference between them. Here are some of the questions I have asked and have since been asked many times by students: How do I learn characters efficiently? How

Download Free Practical Audio Visual Chinese 2nd Edition File Type

do I get the most out of my course or teacher? Which are the best learning tools and resources? How can I become fluent in Mandarin? How can I improve my pronunciation? How do I learn successfully on my own? How can I

Download Free Practical Audio Visual Chinese 2nd

motivate myself to study more? How can I fit learning Chinese into a busy schedule? The answers I've found to these questions and many others form the core of this book. It took eight years of learning,

Download Free Practical Audio Visual Chinese 2nd

researching, teaching and
writing to figure these
things out. Not everybody
has the time to do that! I
can't go back in time and
help myself learn in a
better way, but I can help
you! This book is meant for

Download Free Practical Audio Visual Chinese 2nd

normal students and independent language learners alike. While it covers all major areas of learning, you won't learn Chinese just by reading this book. It's like when someone on TV teaches you how to

Download Free Practical Audio Visual Chinese 2nd Edition File Type

cook: you won't get to eat the delicious dish just by watching the program; you have to do the cooking yourself. That's true for this book as well. When you apply what you learn, it will boost your learning,

Download Free Practical Audio Visual Chinese 2nd Edition File Type

making every hour you spend count for more, but you still have to do the learning yourself. This is what a few readers have said about the book: "The book had me nodding at a heap of things I'd learnt the hard

Download Free Practical Audio Visual Chinese 2nd Edition File Type

way, wishing I knew them when I started, as well as highlighting areas that I'm currently missing in my study." - Geoff van der Meer, VP engineering "This publication is like a bible for anyone serious about

Download Free Practical Audio Visual Chinese 2nd

Chinese proficiency. It's
easy for anyone to read and
written with scientific
precision." - Zachary Danz,
foreign teacher, children's
theatre artist About me I
started learning Chinese
when I was 23 (that's more

Download Free Practical Audio Visual Chinese 2nd Edition File Type

than eight years ago now) and have since studied in many different situations, including serious immersion programs abroad, high-intensity programs in Sweden, online courses, as well as on the side while

Download Free Practical Audio Visual Chinese 2nd Edition File Type

working or studying other things. I have also successfully used my Chinese in a graduate program for teaching Chinese as a second language, taught entirely in Chinese mostly for native speakers (the Graduate

Download Free Practical Audio Visual Chinese 2nd

Institute for Teaching
Chinese as a Second Language
at National Taiwan Normal
University). All these parts
have contributed to my
website, Hacking Chinese,
where I write regularly
about how to learn Mandarin.

Download Free Practical Audio Visual Chinese 2nd Edition File Type

Lance Keimig, one of the premier experts on night photography, has put together a comprehensive reference that will show you ways to capture images you never thought possible. This
