Real Grammar takes a fresh approach to English grammar. Real Grammar gives you freedom to communicate effectively in English with clarity and confidence. Traditional grammar books tell you what people say. Real Grammar explains why we say it. Learning why will allow you to truly understand English. You will discover the core concepts of English and gain a deeper understanding of how English works. Once you understand the simple connected core concepts of English, you can use them in a variety of situations to express a wide range of ideas. Real Grammar explores English grammar in a logical way, connecting what you learn with what you already know. Real Grammar features:- Simple explanations- Clear diagrams- Real life examples- Meaningful practice Real Grammar as a teaching resource: As teachers, we want our students to use what they learn in class when they communicate in English. Knowing grammatical structures is one thing, but being able to use them in a natural way can prove challenging. The key is to get the student to understand why. This is done by:- Presenting grammar concepts clearly.- Comparing the new grammar concept to similar grammar concepts the student is already aware of. This helps the students understand the similarities and differences, developing their ability to apply grammar in a way that communicates their thoughts clearly.- Expanding into uses in other situations. We present other contexts that a part of speech is used in, guiding the student to reason, come to their own conclusions, and discover why. Real Grammar includes explanations and practice activities that can be taught as grammar lessons or can be easily integrated into other English classes. www.realgrammar.com

A revolutionary approach to overcoming perfectionism! A recent, randomized study—published by Mindfulness Journal—shows that Present Perfect is effective as a standalone intervention. The study found that those who had read the book experienced a statistically significant reduction of self-criticalness, a result that was still maintained at a six weeks follow-up (Wimberley, Mintz, & Suh, Mindfulness, Nov. 2015). While there's no doubt that setting high standards for yourself is a good thing, you've probably already noticed that perfectionism can come at a high price. And when you take steps to try to change, it's easy to be too hard on yourself and fall into the same traps that keep you feeling stressed and disappointed. This book presents a revolutionary approach to overcoming perfectionism—a way to transform your need for precision into self-acceptance, compassion, and love for each perfectly imperfect passing moment in our lives. In Present Perfect, you'll use the Buddhist psychology of mindfulness to learn to accept the present moment in all of its ordinary perfection. This book is filled with over 150 exercises and meditations that you can practice to become more flexible toward yourself and others without losing your love of a job well done. With this compassionate approach, you'll soon be able not only to accept life as it is, but also become more accepting and forgiving of yourself and others.

This book contains material for a wide variety of games.

Each of the four levels comprises about 80 hours of class work, with additional time for the self-study work. The Teacher's Book contains all the pages from the Classroom Book, with interleaved teaching notes including optional activities to cater for different abilities. There is a video to accompany the Beginner, Pre-intermediate and Intermediate levels. Each video contains eight stimulating and entertaining short programmes, as well as a booklet of photocopiable activities. Free test material is available in booklet and web format for Beginner and Pre-intermediate levels. Visit www.cambridge.org/elt/liu or contact your local Cambridge University Press representative.

Par rapport à la version précédente, elle propose un texte révisé ; de nouveaux exercices en deux niveaux : niveau 1 consolidation des bases, révision (classes de seconde), niveau 2 approfondissement (classes de première et terminale). Un exercice sur deux est en auto-corrigé : pour une plus grande autonomie de l'élève et un travail préparatoire aux exercices non-corrigés. Les exercices non-corrigés peuvent être faits sous la direction du professeur ou proposés dans le cadre d'une évaluation. Les points de grammaires sont abordés sur la page de gauche. Description et mise en relation des faits de langue, comparaison d'énoncés, paraphrases et transformations. Mais aussi afin de fixer les connaissances, tableaux récapitulatifs, listes (verbes d'état, verbes suivis du gérondif ou de l'infinitif, verbes prépositionnels, noms indénombrables, etc.) Les exercices se trouvent sur la page de droite. Tableaux de classement et d'analyse d'énoncés pour une meilleure compréhension de la valeur des formes, manipulations, réécriture, transformation d'énoncés pour la fixation des formes grammaticales, textes à compléter (avec notes de vocabulaire), questions à choix multiples, thème grammatical. Un index des difficultés repérées par le mot-clé est donné en fin d'ouvrage. Les termes d'origine linguistique sont présentés de façon simple dans un glossaire. Les corrigés des exercices sont également donnés en fin d'ouvrage. Les exercices qui ne sont pas en auto-corrigé dans l'ouvrage sont présentés corrigés dans un livret annexe.
