Prince Rupert The Last Cavalier
Arrives: Oct 29 - 31 Details To his fellow Royalists, fighting for King Charles I, Prince Rupert of the Rhine was the archetypal 'cavalier'. Young, handsome, expert horseman, crack pistol shot, his swaggering style irritated the stuffier of the king's courtiers almost as much as the 'Roundheads' they were fighting.

Prince Rupert: The Last Cavalier: Amazon.co.uk: Spencer ...
Prince Rupert -- The Last Cavalier (2007) by British author Charles Spencer -- journalist (former correspondent for NBC News), writer, broadcaster, and the peer 9th Earl Spencer -- should be congratulated for writing this magnificent and comprehensive biography of Prince Rupert of the Rhine (1619-1682), a prince who packed more life in his lifetime than seemed humanly possible to any mortal by the standards of any age.

Prince Rupert: The Last Cavalier: Amazon.co.uk: Spencer ...
An excellent biography of the last Cavalier, written by Charles, Earl Spencer. Prince Rupert fought for the Royalists as Charles I was being overthrown in the Civil War. He continued to be a supporter of the royal dynasty even after the King was executed. He came back to England when Charles II took the throne and was a respected advisor to the King.

Prince Rupert: The Last Cavalier by Charles Spencer
Prince Rupert: The Last Cavalier. ***. Charles Spencer. Weidenfeld & Nicolson, 2007. 369 pages, £20.00. ISBN 978 0 297 84610 9. Charles Spencer, who is an expert on loyalty, admires Prince Rupert for his devotion to his king, his relations, his men and his religion. In this well researched and competently written biography he shows how Rupert remained loyal to Charles I, despite some unfair treatment along the way, loyal to his extravagant mother and selfish older brother, loyal to his ...

Prince Rupert The Last Cavalier by Charles Spencer ISBN 13: 9780753824016 ISBN 10: 0753824019 Paperback, London, England: Phoenix, July 1, 2008; ISBN-13: 978-0753824016

A brilliant history of Prince Rupert of the Rhine from his penniless start, becoming a soldier in his teenage years, up to his life as King Charles I's most famous and spectacular general.

Recounts the life and exploits of the general, cavalier, scientist, and scholar, from his childhood escape through Bohemian snows to his later life as a respected statesman.

On August 18, 1648, with no relief from the siege in sight, the royalist garrison holding Colchester Castle surrendered and Oliver Cromwell's army firmly ended the rule of Charles I of England. To send a clear message to the fallen monarch, the rebels executed four of the senior officers captured at the castle. Yet still the king refused to accept he had lost the war. As France and other allies mobilized in support of Charles, a tribunal was hastily gathered and a death sentence was passed. On January 30, 1649, the King of England was executed. This is the account of the fifty-nine regicides, the men who signed Charles I's death warrant. Recounting a little-known corner of British history, Charles Spencer explores what happened when the Restoration arrived. From George Downing, the chief plotter, to Richard Ingoldsby, who claimed he was forced to sign his name by his cousin Oliver Cromwell, and from those who returned to the monarchist cause and betrayed their fellow regicides to those that fled the country in an attempt to escape their punishment, Spencer examines the long-lasting, far-reaching consequences not only for those who signed the warrant, but also for those who were present at the trial, and for England itself. A powerful tale of revenge from the dark heart of England's past, and a unique contribution to seventeenth-century history, Killers of the King tells the incredible story of the men who dared to assassinate a monarch.

How did the most wanted man in the country outwit the greatest manhunt in British history?
Guided by its various twists and turns, To Catch a King tells the story the manhunt for Charles II, following the rebellion that spurred his father's beheading in 1649. This unputdownable sequel to Killers of the King tells an old story with new eyes, challenging our polarised notions of royalism, nationalism and loyalty.

The story of Boy, the canine companion of King Charles I's nephew, Prince Rupert, whose fame as a dog-witch was one of the stranger consequences of the English Civil War.

Nebula and World Fantasy Award Finalist: A fantastic tale of intrigue, love, war, magic, and swashbuckling adventure set in an alternate universe where fairies mingle freely with Englishmen and all of Shakespeare's fictional characters are real Welcome to an alternate civil-war-torn seventeenth-century England—a world where Hamlet once brooded and Othello jealously raged. Here faeries and sprites gambol in English woods, railroads race across the landscape while manned balloons float above the countryside, and the most respected historian of all is one William Shakespeare of Stratford-upon-Avon. The year is 1644, and the war between the Roundheads and the Cavaliers rages. When Rupert, nephew of King Charles I, is taken captive by Cromwell's troops and imprisoned in a Puritan home, he is immediately smitten with the beautiful Jennifer Alayne, his captor's niece. Escaping with the help of his newfound beloved and the loyal trooper Will Fairweather, Rupert leads Jennifer deep into the forest, where the faerie folk who dwell there have a vested interest in the outcome of the great and bloody conflict. Though the lovers must soon part—with the prince undertaking a dangerous mission for his magical benefactors that could turn the tide of war—Rupert and his lady love will be forever joined by the rings presented to them by King Oberon and Queen Titania. And despite the strange, twisting pathways and turbulent seas they are destined to encounter, they will always be able to find each other again. . . . as long as their love remains true. Nominated for the World Fantasy Award and winner of the Mythopoeic Award, Poul Anderson's A Midsummer Tempest is a titanic achievement—a delightful alternate-history fantasy that brings the fictional worlds of Shakespeare's plays to breathtaking life with style, wit, and unparalleled imagination.

THE #2 SUNDAY TIMES BESTSELLER 'As gripping as any thriller. History doesn't get any better than this' BILL BRYSON 'A brilliant read ... Game of Thrones but in the real world' ANTHONY HOROWITZ
