Carl Jung: CW 15 "Man in Spirit, Art and Literature" All that gush about man's innate goodness, which had addled so many brains after the dogma of original sin was no longer understood, was blown to the winds by Freud, and the little that remains will, let us hope, be driven out for good and all by the barbarism of the twentieth century. ~Carl Jung, CW 15, Para 69

First published in 1967. Routledge is an imprint of Taylor & Francis, an informa company.

Modern Man in Search of a Soul is the perfect introduction to the theories and concepts of one of the most original and influential religious thinkers of the twentieth century. Lively and insightful, it covers all of his most significant themes, including man's need for a God and the mechanics of dream analysis. One of his most famous books, it perfectly captures the feelings of confusion that many sense today. Generation X might be a recent concept, but Jung spotted its forerunner over half a century ago. For anyone seeking meaning in today's world, Modern Man in Search of a Soul is a must.

Presents the Swiss psychologist's thoughts, experiences, and everything he felt after a period of time spent seeing visions, hearing voices, and inducing hallucinations.

In this, his most famous and influential work, Carl Jung made a dramatic break from the psychoanalytic tradition established by his mentor, Sigmund Freud. Rather than focusing on psychopathology and its symptoms, the Swiss psychiatrist studied dreams, mythology, and

literature to define the universal patterns of the psyche.

The concept of 'Archetypes' and the hypothesis of 'A Collective Unconscious' are two of Jung's better known and most exciting ideas. In this volume - taken from the Collected Works and appearing in paperback for the first time - Jung describes and elaborates the two concepts. Three essays establish the theoretical basis which are then followed by essays on specific archetypes. The relation of these to the process of individuation is examined in the last section. The Archetypes and the Collective Unconscious is one of Jung's central works. There are many illustrations in full colour.
