detailed answers, so students can identify areas in need of improvement.

Since the dawn of time, there has been the vocab test. The basic precept is immutable, if you want to speak a language, you have got to learn the meaning of its words - simple! As with anything, if you break it down, bit by bit, a task becomes much easier. Our vocab book provides you with basic and essential Spanish/English vocabulary. The words are broken down into 50 weeks of 20 words a week, arranged into categories (holiday, travel, food etc.) Also included are blank Spanish/English test pages to help you monitor and test your, or your child's, progress. Whilst we can't guarantee you will be able to speak fluently after learning the words, you will acquire a broad range of commonly used vocabulary that will put you on the right path - Good Luck! To have another language is to possess a second soul - Charlemagne
