DIV God uses manpower. We need God's power. God works when we work. Millions of people all over the world have been introduced to Jesus through the ministry of Reinhard Bonnke. In Taking Action he describes how we too can be an extension of God's love to the world by partnering with the Holy Spirit. With a firsthand account of the mighty manifestations of God at work today, Bonnke takes a careful look at what Scripture teaches about the anointing and gifts of the Holy Spirit in general and then explains each of the specific gifts listed by the apostle Paul. Jesus lived, worked, and prayed in the power of the Holy Spirit. In the Gospel of John He says, "He who believes in Me, the works that I do he will do also." With this same anointing, we can live this way as well. /div

Africa, real life dramatic stories of people and places that will leave you on the edge of your seat, and powerful demonstrations of the Holy Spirit working in the here and now. Reinhard Bonnke's life is a model for generations of preachers to come, and his story inspires Christians everywhere to believe for God's maximum.

God's Gift to All Believers Some believe that simply having faith is an entitlement to blessing and prosperity. Others believe that faith in oneself is all that is needed in life. Still others contend that faith is a cosmic force that breeds superhuman, super-spiritual, invincible power. It is none of these. Faith is not something requiring you to believe in what you know is not true, nor is it believing something for which there is no evidence. The Bible—a book all about faith—provides the evidence that makes faith so vital, so important, and so astounding. In *Faith: The Link with God's Power*, international evangelist Reinhard Bonnke draws from his years of personal study and vibrant ministry to reveal that Faith is like a wiring system that carries power into our lives. Faith itself is not the power, but it links us to the power source. There is no link to God's power without faith. Our belief in what happens tomorrow stems from what we already experienced yesterday. It is not the size of your faith but the size of the God you believe in that determines the results. Reinhard Bonnke is more qualified than most to shed light on what it means to minister in the power of the Holy Spirit. He and his CfaN team regularly conduct gospel crusades in Africa, where signs and wonders follow the preaching of the gospel. In one six-day crusade, more than 1,600,000 people attended a single service, with 3,450,000 making positive decisions for Christ over the course of the event. Indeed, these are days in which God's people can abound in faith!

Insights into the power and gifts of the Holy Spirit in daily life and ministry.

The Gospel is not good news to people who do not hear it—and an unpreached gospel is no Gospel at all. In the New Testament we never read about God going forth on His own, but that His followers “went out and preached everywhere, the Lord working with them.” In short, God acted when they acted. Evangelist Reinhard Bonnke has led millions of people into a life-transforming encounter with God. In *Evangelism by Fire* he lays out the principles necessary for effective evangelism, showing how God operates through anyone who is willing to follow His plan. The Gospel is as vital today as it was when Jesus walked the shores of the Sea of Galilee, and nations urgently need the life-giving message of the cross right now. Filled with biblical principles, prophetic messages, and personal examples, *Evangelism by Fire* will inspire you to bring the focus of your life and ministry back to the Great Commission.

From the dawn of recorded history, humans have traversed continents and faced great obstacles in search of wealth. Yet, ancient Israel’s King Solomon wrote, “Sell everything and buy Wisdom! Forage for Understanding! Above all and before all, do this: Get Wisdom!” (Proverbs 4:5 - MSG). The greatest fortune on earth pales in comparison to godly wisdom. World-renowned Evangelist Bonnke has now collected into one book the insightful vignettes of wisdom from his more than 60-years of faith-filled ministry. *Godly Gems* offers the reader clear, concise, and practical wisdom that can be readily applied to life’s challenges. *Godly Gems* is the perfect book for anyone who wants to enrich themselves with true heavenly treasure!

In 2001, as Reinhard Bonnke debated whether or not to move his ministry to America, he did something he had never done before: he prayed for a sign to confirm that God truly was calling him to go to America. God was about to answer that prayer. A few days later, a woman brought her husband to the Nigerian church where Bonnke was preaching, in hopes that his partially embalmed body would be raised from the dead after three days in a coffin. Although Bonnke was unaware of this and never even prayed for the man, the woman's husband, lying in the church basement, began to breathe again during the sermon. In front of thousands of witnesses, this man, who still couldn't move because of rigor mortis, was raised back to life. After his message, Bonnke was besieged by a crowd yelling, "He's breathing! He's breathing!" This incredible miracle, now detailed for the first time, is part of a movement of God, birthed in a small African church and stretching around the world to America. It is the beginning of a work of God that will confirm His word to Bonnke: "America shall be saved."
