Explains the basic beliefs, customs, and rituals of twelve different world religions, and includes information about tribal and native religions of Africa, North America, and Australia.

Globalization and high-speed communication put twenty-first century people in contact with adherents to a wide variety of world religions, but usually, valuable knowledge of these other traditions is limited at best. On the one hand, religious stereotypes abound, hampering a serious exploration of unfamiliar philosophies and practices. On the other hand, the popular idea that all religions lead to the same God or the same moral life fails to account for the distinctive origins and radically different teachings found across the world|s many religions. Understanding World Religions presents religion as a complex and intriguing matrix of history, philosophy, culture, beliefs, and practices. Hexham believes that a certain degree of objectivity and critique is inherent in the study of religion, and he guides readers in responsible ways of carrying this out. Of particular importance is Hexham|s decision to explore African religions, which have frequently been absent from major religion texts. He surveys these in addition to varieties of Hinduism, Buddhism, Judaism, Christianity, and Islam.

For billions of people, having a religious belief system provides purpose in life. For some, religion serves as a guide for moral behavior. Today's world is one in which our understanding of world religions is both understatedly important, as well as increasingly complex. After many years exploring the foundations of various world religions, Jason Boyett has written this comprehensive, easy-to-understand exploration of the twelve major world religions through a meticulous, yet unbiased lens. 12 Major World Religions offers an impartial look at where each of these belief systems intersects, how they differ, and why some have been|or are currently|misunderstood.

This book offers a unique perspective on September 11 and our world after this tragic event, sharing lessons from an Asian religious experience that can help heal a world troubled by religious conflicts and deepening divisions, and promote a positive global transformation.

Convening on the fifth anniversary of the terrorist attack on the World Trade Center, the global congress The World's Religions after September 11 explored the negative and positive possibilities of the religious dimensions of life. The presentations from the congress have been pulled together in this set, which addresses religion's intersection with human rights, spirituality, science, healing, the media, international diplomacy, globalization, war and peace, and more. This comprehensive set includes contributions from such well-known scholars of religion as Arvind Sharma and a host of others from all the world's religious traditions. This set is an unprecedented examination of religion's influence on modern life, an honest assessment of how religion can either destroy us or preserve us, and a thorough exploration of what steps might be necessary for all religions to join together as a force for good. Because of the attack on the World Trade Center on September 11, 2001, the very concept of religion underwent a paradigm shift. Instead of standing for virtue and piety, peace and harmony, the word religion also came to be inextricably associated with evil, aggression, and terror. People around the world began to question whether the religious and secular dimensions of modern life can be reconciled, whether the different religions of the world can ever coexist in harmony. Indeed, the very future of religion itself has sometimes seemed to be uncertain, or at least suspect. The volumes are: 1. Religion, War, and Peace 2. Religion and Human Rights 3. The Interfaith Dimension 4. Spirituality.

Horrible religious violence has marked the opening of the 21st century, but can the world's religions work together as a force for good? Dozens of experts in religion examine the meaning of religion in the aftermath of September 11 and answer this question.

This book is a brief, simplified presentation of eleven major world religions active today. It is an objective study of the history, beliefs, sacred scripture, festivals, and population. It is intended to supply knowledge without comparing the religions or attempting to convert anyone to any of them. It is a book to further knowledge for understanding living religions and their cultures. The contents are described according to the locations of their origins, the Middle, Far, and Near East. The book is readable for youths and adults. The book is very useful for students taking beginning courses in religion and religions. This book is quickly readable without distracting references. The importance of the eleven religions described in this book is noted in that they claim the membership of five of the seven billion people in our world.

This wide-ranging reader combines some of the best and most valuable contemporary perspectives from leading and significant writers, teachers, and thinkers who together address critical challenges and opportunities for the world's religions in a post 9/11 world. Edited by Arvind Sharma and organized by topic, the essays in this reader consider broad questions such as, What influence does religion have on contemporary life? The thematic arrangement of topics includes diverse religious perspectives on: war, terror, peace, human rights, pluralism, diversity, gender, spirituality, the interreligious dialogue, international diplomacy and globalization.

This definitive guide explores all the faiths from around the world. Together with the five main religions of Buddhism, Christianity, Hinduism, Islam, and Judaism, there is a diverse range of newer faiths to ensure a compelling and comprehensive read. From the key concepts of ancient beliefs to the ground-breaking ideas at the heart of modern faiths, religious history is chronicled in a universal timeline. This provides a global perspective on the origins and events contributing to the growth and spread of spirituality, and the position of religion in society today. Influential religious leaders, including Mahatma Gandhi, Saint Paul, and Al-Ghazali, are introduced in depth and detail, alongside important quotations. Modern alternative beliefs are investigated in the wider context of their political, social, and cultural climates. Part of DK's award-winning Big Ideas series that has sold in excess of seven million copies, The Religions Book explains the trickiest of subjects in the most easily accessible format, using inspiring infographics and illuminating images alongside simple and straightforward text. Compelling and accessible, this is the perfect guide for students of religious study, or anyone interested in the ideas of ancient and present-day faiths and religious philosophies. Series Overview: Big Ideas Simply Explained series uses creative design and innovative graphics, along with straightforward and engaging writing, to make complex subjects easier to understand. These award-winning books provide just the information needed for students, families, or anyone interested in concise, thought-provoking refreshers on a single subject.

Presenting both the histories and the prevalent worldviews of the major world religions, Matthews's WORLD RELIGIONS, Seventh Edition, methodically introduces students to the richness and diversity of these traditions. The Worldview sections in particular make this the most helpful textbook for comparative analyses of the religions. In these sections, students can see how the different religions approach a common set of ten themes that are fundamental to all traditions, including the nature of the Absolute, the place of humans in the world, rituals and symbols, and the prospects for life after death. Furthermore, this text combines insightful, engaging prose with maps, photographs, timelines, excerpts from sacred texts, and other helpful pedagogical aids that provide a comprehensive yet accessible survey of world religions. Warren Matthews's thoughtful and balanced approach depicts the unique traditions and perspectives of diverse world religions with objectivity and respect.
