Retelling headbands provide a great way to keep parents informed with the things that we are doing at school. How many times do kids bring their book-bags back to school with EVERYTHING you sent home still INSIDE? Did the parents check? By wearing the headbands home, the parents SEE it and ask, "What is that on your head?".

Students will color, cut out and glue on to a sentence strip for a fun "hat"/headband. These can be used for retelling. This includes the Little Red Hen, Dog, Pig, Cat and Duck.

"10 favorite and familiar tales to retell; 38 delightful headband patterns. Builds oral fluency and listening comprehension; addresses language arts standards."--Cover.

Alphabet Puppets is a fun and unique way to teach students essential alphabetic awareness, phonemic awareness, and letter formation skills. Full-color animal puppets, alphabet picture cards, and motivating games and activities will capture and hold early learners attention as they learn the 26 letters of the alphabet.

Bring children's imagination to life with 50 easy prop boxes that inspire creative play.

This Beginner Book starring P.J. Funnybunny is a bunny-rific tale of discovery! Meet P. J. Funnybunny in this humorous and touching Beginner Book by Marilyn Sadler and Roger Bollen. It's Not Easy Being a Bunny tells the "tail" of P.J. and his quest to become something other than what he is. Is it more fun to be a bear, a bird, or a pig? Read along as P.J. tries to determine who he is--and where he belongs. Originally created by Dr. Seuss, Beginner Books encourage children to read all by themselves, with simple words and illustrations that give clues to their meaning. "Sick of being a bunny, P. J. Funnybunny takes off to become a bear. Hibernation gets dull, so he tries being a bird. And so it goes, with beavers, pigs, possums, and skunks--till P. J. realizes that bunnyhood is for him. The short, repeating text is ideal for beginners and the bright, humorous cartoons will get immediate attention." --School Library Journal.

This edition explores expanded photography options, covers 10 subject areas, includes sample lessons, provides new activities for children with special needs and toddlers, and incorporates assessment, standards, and documentation.

The instruction in Jumbo Fun with the Alphabet focuses on the four basic readiness skills that all students need to master before moving on to a formal reading program.Alphabetic Awareness,To become of a successful reader, students must know the names, shapes, and forms of all 26 letters of the alphabet. Jumbo Fun with the Alphabet helps students achieve this goal by introducing them to the letters of the alphabet using engaging, illustrated animals whose names start with the featured letter such, as ant, bear, cat, and so on. The animal becomes a common thread throughout the activities for that letter, facilitating both sight and sound recognition.Phonemic Awareness.Realizing that words are made up of sounds and hearing those sounds in spoken language are important steps in reading readiness development. "Hear It!" and "Draw It!" lessons provide this essential practice by asking students to recognize and indentify beginning sounds through reproducible art and matching activities.Print Awareness,Beginning readers need practice distinguishing the difference between a single letter, a word, a sentence, and a story. The simple story inside each "Read It!" mini storybook introduces important concepts-of-print skills while further reinforcing letter and sound recognition.Visual Discrimination.Students are given multiple opportunities to view the letters of the alphabet and to practice making them. The "Draw It!," "Write It!," and "Make It!" activities engage students in visual discrimination practice while they practice drawing and following directions.
