The future of Christianity: Casting off the Right Win nuts and Embracing Conservative Democrats- The Starchildren,I mistakenly said book no# 73 was my last book, but Christianity is in a cul-de-sac or trapped.The Right Wing has sullied the name of Christianity on earth today such that it has shocked even Jesus Christ. The Right Wing dont believe in Evolution, Climate Change, Dinosaurs, they hate blacks, Mexicans, Latino's, Chinese, they hate the poor, love the rich and love Military spending and clamour for more Nuclear missiles. They say they love Jesus and Israel, but are closet Nazi's . They love the confederate flag, and wish they could go back to those good old days. They also represent Christianity today. The Republicans are loudest in not believing in Evolution, Climate change etc. Where are the Democrats? Not the far left leaning, abortion loving, gay loving democrats, but where are the Socially Conservative Democrats? Well we still exist, but are silent. We love everyone and love is our weapon as Christians. As a matter of fact the Millennials or the StarTrek, StarWars generation love the gospel of love and Christianity. The StarChildren believe in God guided Evolution, and as Christians believe in Dinosaurs, the flood only covered the MiddleEast, Life before the Big Bang, the Big Bang did happen and just as the Bible and Einstein agree the universe is going to collapse. Are there other universes? Yes! Is Jesus King over them? Yes. Starchildren believe Jesus Christ is a superstar on millions and billions of other planets besides the earth. Jesus is worshipped throughout infinity, through countless stars and countless universes.He might be the humble carpenter to us, but He is known as God to alien Christians in faraway universes. Jesus is worshipped in endless- infinite multiple universes.Jesus is truly the StarChild."The Church and Israel own a googolplex universes and has doled out some for the nations. The Church and Israel own more universes then there are atoms in our universe of 200 billion galaxies. And each galaxy has about a 100-200 billion stars. If you count the atoms in each star, planet, asteroid, dust particle- the Church owns more universes then all the atoms in our entire universe combined. So Jesus is generous, the Church and Israel is generous and extremely zealous to give you universes and serve you."Jesus is God. He can be in more then one place at once. He is in us and He is in the alien Christians. Christs body can appear in different places at the same time, like when He visits different families in multiple universes at the same time and still remain on His throne in heaven and also in Jerusalem. He is worshipped throughtout infinity. So worship Him in the spirit like all alien Christians do O human race. We will be one with the cosmos praising Jesus. Jesus is infinite, Mother Teresa said God is infinite. Jesus Christ is socially conservative and fiscally liberal. That is what Conservative Democrats- the StarChildren believe. We love everyone but hate sin. Conservative democrats, StarWars, StarTrek generation are not as loud as the Right Wing but are the future of Christianity. People like F. Graham and others should take note. The Rightwing has trapped Christianity in a Cul-de-sac. (Isaiah 27: 13) Are there other universes? Yes! Is Jesus King over them? Yes! This new gospel is the "refreshing," the way out, but rejected by Theologians (Isaiah 28:12) This is a fight for the future of Christianity and the Right Wing is destroying it. PLEASE believe in Dinosaurs ! The Right wing cant faceoff with the LGBT movement unless they shed their bad reputation. Thats what they are using against you in the public eye- your hate- xenophobia in a melting pot, you will lose. (planned and expected by heaven) Love is our only weapon Mother Church. Intergalactic Jesus Christ SuperStar is returning soon for His Christians.

After discovering the true nature of the One Ring, Bilbo Baggins entrusts it to the care of his young cousin, Frodo, who is charged with bringing about its destruction and thus foiling the plans of the Dark Lord.

This boxed set of Tolkien's epic includes "The Fellowship of the Ring, The Two Towers" and "The Return of the King," all with special movie tie-in covers.
