However what makes this series different than other zombie books is that the zombies aren't the only monsters in town there's also human nature to worry about. Mayberry also keeps up the suspense if what else is outside the town of mountainside and doesn't give you any real clues so when certain events take place they can take you be surprise.

When Benny and his friends learn that a scientist may have discovered a cure for the zombie plague, they mount a search and rescue mission, unaware that the reapers want the cure to wipe humanity off the face of the earth.

"The third time's the charm with even more adventure—and gore—as the Rot & Ruin series continues" (Kirkus Reviews). Reeling from the devastation of Dust & Decay, Benny Imura and his friends plunge deep into the zombie-infested wastelands of the great Rot & Ruin. Benny, Nix, Lilah, and Chong journey through a fierce wilderness that was once America, searching for the jet they saw in the skies months ago. If that jet exists then humanity itself must have survived...somewhere. Finding it is their best hope for having a future and a life worth living. But the Ruin is far more dangerous than any of them can imagine. Fierce animals hunt them. They come face to face with a death cult. And then there's the zombies—swarms of them coming from the east, devouring everything in their paths. And these zoms are different. Faster, smarter, and infinitely more dangerous. Has the zombie plague mutated, or is there something far more sinister behind this new invasion of the living dead? One thing Benny and his companions can't afford to forget: In the great Rot & Ruin, everything wants to kill you.

New York Times bestselling author Jonathan Maberry returns to the world of Rot & Ruin with this first novel in a series that's more thrilling and filled with exceptionally terrifying adventures. Ever since her mother's death, Gabriella "Gutsy" Gomez has spent her days flying under the radar. But when her mother's undead body is returned to her doorstep from the grave and Gutsy witnesses a pack of ravagers digging up Los Muertos—her mother's name for the undead—she realizes that life finds you no matter how hard you try to hide from it. Meanwhile, Benny Imura and his gang set out on a journey to finish what Captain Joe Ledger started: they're going to find a cure. After what they went through in the Rot & Ruin, they think they've seen it all, but as they venture into new and unexplored territory, they soon learn that the zombies they fought before were nothing compared to what they'll face in the wild beyond the peace and safety of their fortified town.
