Chicago Bulls coach Phil Jackson shares his experience of combining sports and spirituality to lead his team to success, explaining how to nurture a positive group dynamic and detailing the methods he uses to teach his players how to think collectively, overcome anger, and look beyond jealousy. Reprint.

With a new introduction, Phil Jackson's modern classic of motivation, teamwork, and Zen insight is updated for a whole new readership "Not only is there more to life than basketball, there's a lot more to basketball than basketball." --Phil Jackson Eleven years ago, when

Spiril Lessons As A Hardwood Warrior

Phil Jackson first wrote these words in *Sacred Hoops*, he was the triumphant head coach of the Chicago Bulls, known for his Zen approach to the game. He hadnt yet moved to the Los Angeles Lakers, with whom he would bring his total to an astounding nine NBA titles. In his thought-provoking memoir, he revealed how he directs his players to act with a clear mind--not thinking, just doing; to respect the enemy and be aggressive without anger or violence; to live in the moment and stay calmly focused in the midst of chaos; to put the "me" in service of the "we"--all lessons applicable to any person's life, not just a professional basketball player's. This inspiring book went on to sell more than 400,000 copies. In his new introduction, Jackson explains how the concepts in *Sacred Hoops* are relevant to the issues facing his current team--and today's reader.

Almost thirty years after its initial publication, Paula Gunn Allen's celebrated study of women's roles in Native American culture, history, and traditions continues to influence writers and scholars in Native American studies, women's studies, queer studies, religion and spirituality, and beyond This groundbreaking collection of seventeen essays investigates and celebrates Native American traditions, with special focus on the position of the American Indian woman within those customs. Divided into three sections, the book discusses

Spiril Lessons As A Hardwood Warrior

literature and authors, history and historians, sovereignty and revolution, and social welfare and public policy, especially as those subjects interact with the topic of Native American women. Poet, academic, biographer, critic, activist, and novelist Paula Gunn Allen was a leader and trailblazer in the field of women's and Native American spirituality. Her work is both universal and deeply personal, examining heritage, anger, racism, homophobia, Eurocentrism, and the enduring spirit of the American Indian.

Excel at the Game of Life with Research-Backed Strategies We all understand the basics of physical fitness, and many resources teach mindfulness, business skills, and entrepreneurial chutzpah. But often undermining these goals are less-tangible roadblocks – mental and emotional baggage, deep-seated insecurity, self-judgment, and overwhelming stress and anxiety. In *The Full Spirit Workout*, Kate Eckman draws from her multifaceted training (as an athlete, executive leadership coach, and meditation teacher) to present a program that will empower you to break through these blocks and accomplish your goals. It's a rewarding workout made up of daily mind-body-spirit exercises and neuroscience-based practices that bolster resilience and inner strength. Best of all, Coach Eckman builds in creativity, flexibility, and delight so that each "rep" feels less like work and

more like play.

"Through candor and comprehensiveness, Jackson writes a convincing revisionist take, in which he emerges as an excellent coach . . . highly readable . . . reflects Jackson's polymathy." —The New York Times Book Review "Part sports memoir, part New Age spirit quest, part pseudo-management tract . . . But the primary thing with Jackson—as with all the old bards, who were also known for repeating themselves—is the voice." —Sam Anderson, The New York Times Magazine A New York Times Bestseller The inside story of one of basketball's most legendary and game-changing figures During his storied career as head coach of the Chicago Bulls and Los Angeles Lakers, Phil Jackson won more championships than any coach in the history of professional sports. Even more important, he succeeded in never wavering from coaching his way, from a place of deep values. Jackson was tagged as the "Zen master" half in jest by sportswriters, but the nickname speaks to an important truth: this is a coach who inspired, not goaded; who led by awakening and challenging the better angels of his players' nature, not their egos, fear, or greed. This is the story of a preacher's kid from North Dakota who grew up to be one of the most innovative leaders of our time. In his quest to reinvent himself, Jackson explored everything from humanistic psychology and Native

Spiril Lessons As A Hardwood Warrior

American philosophy to Zen meditation. In the process, he developed a new approach to leadership based on freedom, authenticity, and selfless teamwork that turned the hypercompetitive world of professional sports on its head. In *Eleven Rings*, Jackson candidly describes how he:

- Learned the secrets of mindfulness and team chemistry while playing for the champion New York Knicks in the 1970s
- Managed Michael Jordan, the greatest player in the world, and got him to embrace selflessness, even if it meant losing a scoring title
- Forged successful teams out of players of varying abilities by getting them to trust one another and perform in sync
- Inspired Dennis Rodman and other “uncoachable” personalities to devote themselves to something larger than themselves
- Transformed Kobe Bryant from a rebellious teenager into a mature leader of a championship team.

Eleven times, Jackson led his teams to the ultimate goal: the NBA championship—six times with the Chicago Bulls and five times with the Los Angeles Lakers. We all know the legendary stars on those teams, or think we do. What *Eleven Rings* shows us, however, is that when it comes to the most important lessons, we don’t know very much at all. This book is full of revelations: about fascinating personalities and their drive to win; about the wellsprings of motivation and competition at the highest levels; and about what it takes to bring out the best in ourselves and others.

Spiril Lessons As A Hardwood Warrior

In this extraordinary collection, the voices of women's experience ring out loud and true! The power of narrative in therapy for women is undeniable. Used well, other women's narratives can help us to understand and rewrite our own. Here, women bare their souls, reflecting on self-enhancement and growth, on discrediting negative family scripts, on seeing through demeaning cultural messages, on living in the modern world, on their wildness, wisdom, spirituality, and a great deal more! Each chapter includes questions for reflection to help readers incorporate these narratives into their own lives. From the author: "This book began with the women's groups I facilitate. Some themes arose many times: I feel bad about myself; I can't speak up at times; I don't feel like I have any rights; I feel stupid; I feel like I am bad. But as therapy progressed, new narratives were expressed: I do have a voice; I am knowledgeable; I like being who I am; and I can work through this conflict. "As a writer and therapist, I have taken a stance about ideas that are presented in sessions with clients and that exist in their culture. This book elaborates on those ideas and offers readers an opportunity to think about them in their own lives. Women can rewrite their lives as they become aware of their stories." Some of the narratives that you'll find in *Integrating Spirit and Psyche: Using Women's Narratives*
