based postmodern church and shows how a return to biblical teaching will restore its strength and impact. Now being replaced by a feel-good message instead of what Christians need to know to stand strong in a world that's lost its way--Swindoll exposes the problems of--and solutions for--the postmodern evangelical church. Just as he opened readers' eyes with his bold statements in *The Grace Awakening*, now he offers a straightforward volume revealing how to reestablish a life-altering church with Christ as Lord and Master. Illuminating and empowering, **THE CHURCH AWAKENING** will ignite a revolution in the way Christians "do church" for years to come.

conflict, or major calamities like those that threaten bankruptcy or doom a promising career? Fortunately, behavioral economics studies show that such disasters stem from poor decisions due to our faulty mental patterns—what scholars call “cognitive biases”—and are preventable. Unfortunately, the typical advice for business leaders to “go with their guts” plays into these cognitive biases and leads to disastrous decisions that devastate the bottom line. By combining practical case studies with cutting-edge research, *Never Go With Your Gut* will help you make the best decisions and prevent these business disasters. The leading expert on avoiding business disasters, Dr. Gleb Tsipursky, draws on over 20 years of extensive consulting, coaching, and speaking experience to show how pioneering leaders and organizations—many of them his clients—avoid business disasters. Reading this book will enable you

Cam, a 21st century Frankenstein, struggles with a search for identity and meaning, as well as the concept of his own soul, if indeed a rewind being can have one. When a sadistic bounty hunter who takes "trophies" from the unwinds he captures starts to pursue Connor, Risa and Lev, Cam finds his fate inextricably bound with theirs"--
