A BEST BOOK OF JANUARY: O Magazine A BEST BOOK OF THE YEAR in the UK: The Guardian, The Times " [Moss] writes beautifully about... souls in tumult, about people whose lives have not turned out the way they'd hoped. . . There's little doubt, reading Moss, that you're in the hands of a sophisticated and gifted writer." —Dwight Garner, The New York Times The acclaimed author of Ghost Wall offers a new, devastating, masterful novel of subtle menace They rarely speak to each other, but they take notice—watching from the safety of their cabins, peering into the half-lit drizzle of a Scottish summer day, making judgments from what little they know of their temporary neighbors. On the longest day of the year, the hours pass nearly imperceptibly as twelve people go from being strangers to bystanders to allies, their attention forced into action as tragedy sneaks into their lives. At daylight, a mother races up the mountain, fleeing into her precious dose of solitude. A retired man studies her return as he reminisces about the park's better days. A young woman wonders about his politics as she sees him head for a drive with his wife, and tries to find a moment away from her attentive boyfriend. A teenage boy escapes the scrutiny of his family, braving the dark waters of the loch in a kayak. This cascade of perspective shows each wrapped up in personal concerns, unknown to each other, as they begin to notice one particular family that doesn't seem to belong. Tensions rise, until nightfall brings an irrevocable turn. From Sarah Moss, the acclaimed author of Ghost Wall—a "riveting" (Alison Hagy, The New York Times Book Review) "sharp tale of suspense" (Margaret Tablot, The New Yorker), Summerwater is a searing exploration of our capacity for kinship and cruelty, and a gorgeous evocation of the natural world that bears eternal witness.

From the award-winning author of Burntcoat and The Electric Michelangelo, one of the most decorated young British writers working today, comes a literary masterpiece: a breathtaking work that beautifully and provocatively surveys the frontiers of the human spirit and our animal drives. For almost a decade, zoologist Rachel Caine has lived a solitary existence far from her estranged family in England, monitoring wolves in a remote section of Idaho as part of a wildlife recovery program. But a surprising phone call takes her back to the peat and wet light of the Lake District where she grew up. The eccentric Earl of Annerdale has a controversial scheme to reintroduce the Grey Wolf to the English countryside, and he wants Rachel to spearhead the project. Though she's skeptical, the earl's lands are close to the village where she grew up, and where her aging mother now lives. While the earl's plan harks back to an ancient idyll of untamed British wilderness, Rachel must contend with modern-day realities—health and safety issues, public anger and fear, cynical political interests. But the return of the Grey unexpectedly sparks her own regeneration. Exploring the fundamental nature of wilderness and wildness, The Wolf Border illuminates both our animal nature and humanity: sex, love, conflict, and the desire to find answers to the question of our existence—the emotions, desires, and needs that rule our lives.

To fulfill a dying wish, a grieving Hispanic man uses his sister's private journals as a guide in tracking down the love of her life, a woman named Sarah. Tom's sister Nina's will read: "I don't want one of those generic funerals, where everyone gathers and cries. Be creative. I want something outside the box. You and Sarah can work on this together." Tom's reaction: "Who the hell is Sarah?" To solve this mystery, and to honor his sister's final wish, Tom uses Nina's personal journals as a guide, in his search for Sarah. Frustration mounts as he delves deeper into Nina's past, uncovering secrets that will change his life forever. Will Tom overcome the seemingly never-ending obstacles and find the enigmatic Sarah before putting his sister to rest? This mysterious love story reaches beyond the grave and straight into your heart.

Knock-knock. Who's there? Blippo and Beep! Blippo and Beep are a pair of silly robot friends. While Blippo is good-natured and eager, Beep is a bit more serious and practical. But when they start to share knock-knock jokes with each other, Blippo doesn't really understand how they work, and Beep begins to run out of patience!
