**Business to business markets** are considerably more challenging than consumer markets and as such demand a more specific skillset from marketers. Buyers, with a responsibility to their company and specialist product knowledge, are more demanding than the average consumer. Given that the products themselves may be highly complex, this often requires a sophisticated buyer to understand them. Increasingly, B2B relationships are conducted within a global context. However all textbooks are region-specific despite this growing move towards global business relationships – except this one. This textbook takes a global viewpoint, with the help of an international author team and cases from across the globe. Other unique features of this insightful study include: placement of B2B in a strategic marketing setting; full discussion of strategy in a global setting including hypercompetition; full chapter on ethics and CSR early in the text; and detailed review of global B2B services marketing, trade shows, and market research. This new edition has been fully revised and updated with a full set of brand new case studies and features expanded sections on digital issues, CRM, and social media as well as personal selling. More selective, shorter, and easier to read than other B2B textbooks, this is ideal for introduction to B2B and shorter courses. Yet, it is comprehensive enough to cover all the aspects of B2B marketing any marketer needs, be they students or practitioners looking to improve their knowledge.

In a "brutally honest" memoir, a motivational speaker, military veteran, and cancer survivor reveals how hope can bring about positive change (Eric Johnson, Jr., sportscastrer TNT/TBS). Change: If I Can, You Can is the story of a man destined for as much turmoil as life can provide. Travis Angry created his identity through childhood rebellion, dropping out of school, being in the military, fighting cancer, marrying, divorcing, raising children as a single father, obtaining a college degree, writing a memoir, and working as a professional speaker. Angry's gift is showing others how to resolve fear. His mission is to help teenagers, parents, teachers, coaches, and youth group directors to understand their lives and use hope as a tool for positive change. "Travis' story will make you hope to scream and shout. His perseverance and strength is truly inspiring! He is truly making a difference one page at a time." —Jordin Sparks, singer/actress
