-- Over 75,000 definitions.-- A core vocabulary in paperback for backpack or desktop.

A dictionary of terms useful for high school students.

Divided into five chapters and illustrated by Kaur, the sun and her flowers is a journey of wilting, falling, rooting, rising, and blooming. A celebration of love in all its forms. this is the recipe of life said my mother as she held me in her arms as i wept think of those flowers you plant in the garden each year they will teach you that people too must wilt fall root rise in order to bloom

INSTANT NEW YORK TIMES BESTSELLER "My Body offers a lucid examination of the mirrors in which its author has seen herself, and her indoctrination into

the cult of beauty as defined by powerful men. In its more transcendent passages . . . the author steps beyond the reach of any 'Pygmalion' and becomes a more dangerous kind of beautiful. She becomes a kind of god in her own right: an artist." –Melissa Febos, The New York Times Book Review A "MOST ANTICIPATED" AND "BEST OF FALL 2021" BOOK FOR * VOGUE * TIME * ESQUIRE * PEOPLE * USA TODAY * CHICAGO TRIBUNE * LOS ANGELES TIMES * SHONDALAND * ALMA * THRILLEST * NYLON * FORTUNE A deeply honest investigation of what it means to be a woman and a commodity from Emily Ratajkowski, the archetypal, multi-hyphenate celebrity of our time Emily Ratajkowski is an acclaimed model and actress, an engaged political progressive, a formidable entrepreneur, a global social media phenomenon, and now, a writer. Rocketing to world fame at age twenty-one, Ratajkowski sparked both praise and furor with the provocative display of her body as an unapologetic statement of feminist empowerment. The subsequent evolution in her thinking about our culture's commodification of women is the subject of this book. My Body is a profoundly personal exploration of feminism, sexuality, and power, of men's treatment of women and women's rationalizations for accepting that treatment. These essays chronicle moments from Ratajkowski's life while investigating the culture's fetishization of girls and female beauty, its obsession with and contempt for women's sexuality, the perverse dynamics of the fashion and film industries, and the gray area between consent and abuse. Nuanced, fierce, and incisive, My Body marks the debut of a writer brimming with courage and intelligence.

From the #1 New York Times bestselling author of milk and honey and the sun and her flowers comes her greatly anticipated third collection of poetry. rupi kaur constantly embraces growth, and in home body, she walks readers through a reflective and intimate journey visiting the past, the present, and the potential of the self. home body is a collection of raw, honest conversations with oneself – reminding readers to fill up on love, acceptance, community, family, and embrace change. illustrated by the author, themes of nature and nurture, light and dark, rest here. i dive into the well of my body and end up in another world everything i need already exists in me there's no need to look anywhere else – home
