During the Vietnam era, many of the U.S. Navy SEALs (Sea, Air, Land commandos) never filed for a Purple Heart unless they were severely wounded. Thomas H. Keith, Master Chief, SEAL Team 2, is living proof. He carries a piece of shrapnel behind one lung, a reminder of the day he called in 40 mm mortar fire on the enemy that was trying to catch up to his crew as the crew hauled ass out of the bush. Not only did he never report it, it was never removed—it just wasn’t serious enough. SEAL Warrior is the vivid, gritty, transporting memoir of a man destined for combat, a third-generation soldier for whom serving his country was not only an honor, it was tradition. While his grandfathers fought in France, and his father's position as a U.S. Navy Chief took him all around the world, Tom Keith fought his first war in the jungles of Vietnam. Fighting a guerilla war on foreign soil for the first time in American history, the SEALs found that there were no front lines; the enemy was an integral part of the entire society. This atypical form of warfare demanded that new tactics, new strategic applications of force, and a new understanding of a complex social and cultural enmity be found. SEAL Warrior goes beyond the horror and bravado of battle to offer a deeper insight into the ways in which the SEALs fought, learned, reacted, and expanded their understanding of guerilla warfare during the Vietnam War. It’s also a personal, riveting account of how one young American survived, and, over time, grew to trust and revere many of those who once had been his enemy. With America again deeply involved in guerilla warfare, there is no better time to honor the unique abilities, understanding, and courage of these warriors who sacrificed it all to fight for nothing less than peace.

From leadership expert, former Navy SEAL, "American Grit" feature player, and author of Worth Dying For: A Navy SEAL's Call to a Nation, Rorke Denver, the bestselling account of how he helped create the U.S. Navy SEALs of today. Rorke Denver trains the men who become Navy SEALs--the most creative problem solvers on the modern battlefield, ideal warriors for the kinds of wars America is fighting now. With his years of action-packed mission experience and a top training role, Lieutenant Commander Denver understands exactly how tomorrow's soldiers are recruited, sculpted, motivated, and deployed. Now, Denver takes you inside his personal story and the fascinating, demanding SEAL training program he now oversees. He recounts his experience evolving from a young SEAL hopeful pushing his way through Hell Week, into a warrior engaging in dangerous stealth missions across the globe, and finally into a lieutenant commander directing the indoctrination, requalification programs, and the "Hero or Zero" missions his SEALs undertake. From his own SEAL training and missions overseas, Denver details how the SEALs' creative operations became front and center in America's War on Terror-and how they are altering warfare everywhere. In fourteen years as a SEAL officer, Rorke Denver tangled with drug lords in Latin America, stood up to violent mobs in Liberia, and battled terrorists in Iraq and Afghanistan. Leading 200 commando missions, he earned the Bronze Star with V for valor. He has also served as flag aide to the admiral in charge and spent the past four years as executive officer of the Navy Special Warfare Center's Advanced Training Command in Coronado, California, directing all phases of the basic and advanced training that prepare men for war in SEAL teams. He recently starred in the film Act of Valor. He is married and has two daughters. Ellis Henican is a columnist at Newsday and an on-air commentator at the Fox News Channel. He has written two recent New York Times bestsellers, Home Team with New Orleans Saints coach Sean Payton and In the Blink of an Eye with NASCAR legend Michael Waltrip. With all the SEALs' recent successes, we have been getting a level of acclaim we're not used to. But something important has been missing in this warm burst of publicity . Correcting that is my mission here. My own SEAL dream was launched by a book. My hope is that this one teaches lessons that go far beyond the battlefield, inspiring a fresh generation of warriors to carry on that dream. -Lieutenant Commander Rorke Denver

With a postscript describing SEAL efforts in Afghanistan, The Warrior Elite takes you into the toughest, longest, and most relentless military training in the world. In The Warrior Elite, former Navy SEAL Dick Couch documents the process that transforms young men into warriors. In this first book of a new illustrated middle grade series by a #1 New York Times bestselling author, Marc learns to become a Warrior Kid after his uncle Jake, a Navy SEAL, comes to stay for the summer.

A brilliant virtuoso of violence, Richard Marcinko rose through Navy ranks to create and command one of this country's most elite and classified counterterrorist units, SEAL TEAM SIX. Now this thirty-year veteran recounts the secret missions and Special Warfare madness of his worldwide military career—and the riveting truth about the top-secret Navy SEALs. Marcinko was almost inhumanly tough, and proved it on hair-raising missions across Vietnam and a war-torn world: blowing up supply junks, charging through minefields, jumping at 19,000 feet with a chute that wouldn't open, fighting hand-to-hand in a hellhole jungle. For the Pentagon, he organized the Navy's first counterterrorist unit: the legendary SEAL TEAM SIX, which went on classified missions from Central America to the Middle East, the North Sea, Africa and beyond. Then Marcinko was tapped to create Red Cell, a dirty-dozen team of the military's most accomplished and decorated counterterrorists. Their unbelievable job was to test the defenses of the Navy's most secure facilities and installations. The result was predictable: all hell broke loose. Here is the hero who saw beyond the blood to ultimate justice—and the decorated warrior who became such a maverick that the Navy brass wanted his head on a pole, and for a time, got it. Richard Marcinko—ROGUE WARRIOR.
