Wildlife biologist Mac Barrett avoided his hometown of Scarlet Falls for years too many bad memories. But when he receives the news that his father is dying, he rushes home only to discover he s too late. Shaken, Mac retreats to his remote cabin seeking peace and solace. Instead, he crashes his jeep to narrowly avoid running over the naked body of a woman lying in the road. Even more disturbing, when he regains consciousness, the body is gone. Police detective Stella Dane wants to believe Mac, even if his story about the vanishing body seems far-fetched. But when Mac s description matches the missing woman she s been searching for, it raises a disturbing question: "How does a dead body disappear?" Mac and Stella will have to work together to find the answer and catch a psychotic kidnapper and quickly. The killer has a deadly message to send, and the case is about to become personal. "

Welcome, welcome to Caraval—Stephanie Garber’s sweeping tale of two sisters who escape their ruthless father when they enter the dangerous intrigue of a legendary game. Scarlett has never left the tiny island where she and her beloved sister, Tella, live with their powerful, and cruel, father. Now Scarlett’s father has arranged a marriage for her, and Scarlett thinks her dreams of seeing Caraval, the

far-away, once-a-year performance where the audience participates in the show, are over. But this year, Scarlett's long-dreamt of invitation finally arrives. With the help of a mysterious sailor, Tella whisks Scarlett away to the show. Only, as soon as they arrive, Tella is kidnapped by Caraval's mastermind organizer, Legend. It turns out that this season's Caraval revolves around Tella, and whoever finds her first is the winner. Scarlett has been told that everything that happens during Caraval is only an elaborate performance. But she nevertheless becomes enmeshed in a game of love, heartbreak, and magic with the other players in the game. And whether Caraval is real or not, she must find Tella before the five nights of the game are over, a dangerous domino effect of consequences is set off, and her sister disappears forever.

"Pure Parnell Hall - wit, intensity, sharp dialog and vivid characters ... maybe his best yet." Lee Child, #1 New York Times bestselling author
A relentless, darkly-funny thriller by Parnell Hall, the New York Times bestselling author of the Puzzle Lady series. Two killers are leaving a trail of mutilated corpses across Manhattan... while hunting a mysterious man with a name so common, they may never run out of victims. They are pursued by a disgraced cop, dying of cancer and desperate for redemption. Caught in the middle, but unaware of it, are a tabloid reporter and the cast of a troubled Broadway play facing a terrifying battle for their lives. "Chasing Jack is what you'll find if you look up 'Black Humor' in your Funkin' Wagnalls. The wit is savage, the pace relentless. Parnell Hall, always outstanding, has never been better." Lawrence Sanders
"Parnell Hall is a pro's pro's pro. No one else creates characters as deftly or puts them in heart-in-your-mouth situations with such economy. Read Chasing Jack once for the joy of it and a second time for a lesson in how thriller writing is done." SJ Rozan
"Parnell Hall, a master of the genre, is on fire in Chasing Jack, a bloody, twisty tale set in the tabloid world of night time

Manhattan. Required reading for mystery fans." Reed Farrel Coleman "Parnell Hall has long been one of the my favorite crime fiction writers. Chasing Jack is his best yet." Harlan Coben

Risk everything . . . for love with this #1 New York Times bestseller. What if you couldn't touch anything in the outside world? Never breathe in the fresh air, feel the sun warm your face . . . or kiss the boy next door? In *Everything, Everything*, Maddy is a girl who's literally allergic to the outside world, and Olly is the boy who moves in next door . . . and becomes the greatest risk she's ever taken. My disease is as rare as it is famous. Basically, I'm allergic to the world. I don't leave my house, have not left my house in seventeen years. The only people I ever see are my mom and my nurse, Carla. But then one day, a moving truck arrives next door. I look out my window, and I see him. He's tall, lean and wearing all black—black T-shirt, black jeans, black sneakers, and a black knit cap that covers his hair completely. He catches me looking and stares at me. I stare right back. His name is Olly. Maybe we can't predict the future, but we can predict some things. For example, I am certainly going to fall in love with Olly. It's almost certainly going to be a disaster. *Everything, Everything* will make you laugh, cry, and feel everything in between. It's an innovative, inspiring, and heartbreakingly romantic debut novel that unfolds via vignettes, diary entries, illustrations, and more. And don't miss Nicola Yoon's *The Sun Is Also A Star*, the #1 New York Times bestseller in which two teens are brought together just when it seems like the universe is sending them in opposite directions.

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning *The Daily Show* with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, *The Daily Show* with Jon Stewart brilliantly redefined the borders between television comedy, political

satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

Seventeen years ago, government agent Joshua Kendall was part of the raid on the cultlike Young Believers compound. His own bullet killed an innocent girl, and he has lived with the guilt ever since. But a new assignment will reveal that the most shattering incident of Josh's life was nothing more than a lie. Elizabeth Marcum was that girl. She survived the bullet from the botched raid and now lives under a new identity in rural Vermont, hiding from the cult leader who has managed to elude capture all these

years. But she's tired of running, tired of hiding. If Mordecai Young tracks her down, so be it. When Josh is sent to protect Elizabeth—and realizes who she is—he will do anything to keep her alive, including lying about who he is. But as Mordecai descends back into their lives they become targets in a deadly battle that threatens to shatter their last chance at life and love. Originally published in 2005. Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

is back with a glittering royal romance sure to captivate her legion of loyal readers and lovers of courtly intrigue alike. A would-be queen. A handsome young king. A perfect match...or is it? When King Jameson declares his love for Lady Hollis Brite, Hollis is shocked—and thrilled. After all, she's grown up at Keresken Castle, vying for the king's attention alongside other daughters of the nobility. Capturing his heart is a dream come true. But Hollis soon realizes that falling in love with a king and being crowned queen may not be the happily ever after she thought it would be. And when she meets a commoner with the mysterious power to see right into her heart, she finds that the future she really wants is one that she never thought to imagine.

New York Times bestselling author Laura Griffin “delivers the goods” (Publishers Weekly) again with the eleventh title in the gritty, heart-pounding Tracers series. When a lakeside tryst ends in a double murder, police detective Daniele Harper arrives on the scene determined to get answers. Clues are everywhere, but nothing adds up. Dani turns to the Delphi Center crime lab for help, but soon regrets it when her secret attraction to their chief firearms examiner threatens to distract her from the most important case of her career. As a ballistics expert and former Navy SEAL, Scott Black knows firearms, and he knows he can help Dani unravel her case. Scott has managed to hide his interest in his best friend's younger sister for years, but when her investigation brings them together, the sparks between them quickly burn out of control. Scott resolves to keep his hands off Dani and his eyes on the goal—identifying a killer. But when that killer zeroes in on her, all bets are off. There isn't a line Scott won't cross to convince Dani to trust him so that he can help her take down a ruthless murderer who has her in his sights.
