Celebrating Leonard Bernstein's centenary with an intimate and detailed look at the public and private life of the Maestro written by his former assistant. Foreword by Broadway legend Harold Prince. "An affectionate portrait of an eminent musician who was driven by demons." –Kirkus Reviews "Harmon's personable and warm account of what it was like to work for one of the twentieth century's musical giants casts new light on Bernstein and his world." –Booklist "This multifaceted perspective gives readers plenty of salacious gossip paired with insight into Leonard Bernstein's remarkable artistic achievements later in life." –Library Journal On the Road is a colorfully written, unforgettably entertaining and unputdownable book, and is available just in time for LB's 100th birthday. Unreservedly recommended. –Fanfare Magazine Leonard Bernstein reeked of cheap

cologne and obviously hadn't showered, shaved, or slept in a while. Was he drunk to boot? He greeted his new assistant with "What are you drinking?" Yes, he was drunk. Charlie Harmon was hired to manage the day-to-day parts of Bernstein's life. There was one additional responsibility: make sure Bernstein met the deadline for an opera commission. But things kept getting in the way: the centenary of Igor Stravinsky, intestinal parasites picked up in Mexico, teaching all summer in Los Angeles, a baker's dozen of young men, plus depression, exhaustion, insomnia, and cut-throat games of anagrams. Did the opera get written? For four years, Charlie saw Bernstein every day, as his social director, gatekeeper, valet, music copyist, and itinerant orchestra librarian. He packed (and unpacked) Bernstein's umpteen pieces of luggage, got the Maestro to his concerts, kept him occupied changing planes in Zurich, Anchorage, Tokyo, or Madrid, and learned how to make small talk with mayors, ambassadors, a chancellor, a queen, and a Hollywood legend or two. How could anyone absorb all those people and places? Because there was music: late-night piano duets, or the Maestro's command to accompany an audition, or, by the way, the greatest orchestras in the world. Charlie did it, and this is what it was like, told for the first time.

Susan Sontag: An Annotated Bibliography catalogues the works of one of America's most prolific and important 20th century authors. Quando un partner della sua agenzia sparisce in circostanze sospette, Josh Cooper, un agente di sicurezza americano, riceve un incarico speciale e viene mandato a Londra. Abituato a lavorare a capo della sua squadra d'élite, si scontra con l'affascinante, ma arrogante, Cal, il suo collaboratore e superiore inglese. L'istinto di Josh gli dice che c'è qualcosa che non va, visto che continua a essere tenuto fuori dai giochi, e le intenzioni di Cal stanno prendendo un'altra strada. Deve anche gestire una questione personale. È coinvolto in una cyber-relazione con "Charlie", uno sconosciuto che si è connesso con lui per caso. Le loro chiacchiere hanno portato a un rispetto profondo e a un interesse sessuale, ma ora Josh si trova sempre più attratto da Cal. Tra quel conflitto e la tensione della missione, il cuore e la testa di Josh sono sovraccarichi e confusi. Le cose non potrebbero andare

This cultural history of Mussolini's dictatorship discusses the meanings of modernity in interwar Italy. The work argues that fascism appealed to many Italian intellectuals as a new model of modernity that would resolve the European and national crises.

E' comodo definirsi scrittori da parte di chi non ha arte né parte. I letterati, che non siano poeti, cioè scrittori stringati, si dividono in narratori e saggisti. E' facile scrivere "C'era una volta..." e parlare di cazzate con nomi di fantasia. In questo modo il successo è assicurato e non hai rompiballe che si sentono diffamati e che ti querelano e che, spesso, sono gli stessi che ti condannano. Meno facile è essere saggisti e scrivere "C'è adesso..." e parlare di cose reali con nomi e cognomi. Impossibile poi è essere saggisti e scrivere delle malefatte dei magistrati e del Potere in generale, che per logica ti perseguitano per farti cessare di scrivere. Devastante è farlo senza essere di sinistra. Quando si parla di veri scrittori ci si ricordi di Dante Alighieri e della fine che fece il primo saggista

mondiale. Le vittime, vere o presunte, di soprusi, parlano solo di loro, inascoltati, pretendendo aiuto. Io da vittima non racconto di me e delle mie traversie. Ascoltato e seguito, parlo degli altri, vittime o carnefici, che l'aiuto cercato non lo concederanno mai. "Chi non conosce la verità è uno sciocco, ma chi, conoscendola, la chiama bugia, è un delinquente". Aforisma di Bertolt Brecht. Bene. Tante verità soggettive e tante omertà son tasselli che la mente corrompono. Io le cerco, le filtro e nei miei libri compongo il puzzle, svelando l'immagine che dimostra la verità oggettiva censurata da interessi economici ed ideologie vetuste e criminali. Rappresentare con verità storica, anche scomoda ai potenti di turno, la realtà contemporanea, rapportandola al passato e proiettandola al futuro. Per non reiterare vecchi errori. Perché la massa dimentica o non conosce. Denuncio i difetti e caldeggio i pregi italici. Perché non abbiamo orgoglio e dignità per migliorarci e perché non sappiamo apprezzare, tutelare e promuovere quello che abbiamo ereditato dai nostri avi. Insomma, siamo bravi a farci del male e qualcuno deve pur essere diverso!

In this completely captivating book, Miriam Toews has created some of the most engaging characters in Canadian literature: Hattie, Logan and Thebes are bewildered, hopeful, angry, and most of all, absolutely alive. Full of richly skewed, richly funny detail, *The Flying*

Troutmans is a uniquely affecting novel. Days after being dumped by her boyfriend Marc in Paris - "he was heading off to an ashram and said we could communicate telepathically" - Hattie hears her sister Min has been checked into a psychiatric hospital, and finds herself flying back to Winnipeg to take care of Thebes and Logan, her niece and nephew. Not knowing what else to do, she loads the kids, a cooler, and a pile of CDs into their van and they set out on a road trip in search of the children's long-lost father, Cherkis. In part because no one has any good idea where Cherkis is, the traveling matters more than the destination. On their wayward, eventful journey down to North Dakota and beyond, the Troutmans stay at scary motels, meet helpful hippies, and try to ignore the threatening noises coming from under the hood of their van. Eleven-year-old Thebes spends her time making huge novelty cheques with arts and crafts supplies in the back, and won't wash, no matter how wild and matted her purple hair gets; she forgot to pack any clothes. Four years older, Logan carves phrases like "Fear Yourself" into the dashboard, and repeatedly disappears in the middle of the night to play basketball; he's in love, he says, with New York Times columnist Deborah Solomon. Meanwhile, Min can't be reached at the hospital, and, more than once, Hattie calls Marc in tears. But though it might seem like an escape from crisis into chaos, this journey is also desperately necessary, a chance for an accidental

family to accept, understand or at least find their way through overwhelming times. From interwoven memories and scenes from the past, we learn much more about them: how Min got so sick, why Cherkis left home, why Hattie went to Paris, and what made Thebes and Logan who they are today.
