Dogged by depression, doubt, and—as a trip to the Mayo Clinic has revealed—emphysema, 66-year-old Sherlock Holmes is preparing to return to England when he receives a shock: a note slipped under his hotel room door, from a vicious murderer he'd nearly captured in Munich in 1892. The murderer, known as the Monster of Munich, announces that he has relocated to Eisendorf, a tiny village near the Mayo Clinic in Rochester, Minnesota. If Holmes is not what he once was, the same can be said for Eisendorf: once a thriving community founded by German idealists but now a dying town with only forty residents—two of whom have, indeed, died recently under highly mysterious circumstances. Replete with

all the gothic richness of Larry Millett's earlier Holmes novels, *Sherlock Holmes and the Eisendorf Enigma* links events in 1892 Germany with those in small-town Minnesota in 1920 in a double mystery that tests the aging detective's mettle—and the reader's nerve—as never before. Guided by Eisendorf's peculiar archivist and taunted by the Monster, Holmes finds himself drawn into the town's dark history of violence and secrecy, and into the strange tunnels that underscore the old flour mill where answers, and grievous danger, lie in wait. No longer the cool, flawless logician of times past, Holmes must nonetheless match wits with a fiendish opponent who taunts him right up to a final, explosive confrontation.

The aged and still cocaine-addicted Sherlock Holmes submits entry forms at a nearly defunct psychiatric clinic, naming a peculiar goal: "No more solutions, but true resolution," and finds that his worst enemy has left him the key to his wish, if he can give everything in return. Can his friend Watson stop the clock that has been ticking toward Holmes' demise, or will he be forced to sit powerless and watch as Holmes walks straight into danger?

The third adventure in a series of five stories which update individual tales by Sir Arthur Conan Doyle to our modern world. Based on *The Creeping Man*, a pop-star is plagued by an unusual stalker whose violent outbursts and strange jumping seem to hint at mental instability. She seeks the help of Sherlock Holmes to track him down and uncover his identity. Watson welcomes any distraction from his humdrum life of domesticity and his boring job, so enthusiastically offers to assist. As long as he makes it home in time for dinner.

SECRETS, SUSPENSE, AND CONSPIRACY. LONDON THROUGH THE EYES OF THE GREAT SHERLOCK HOLMES As Dr Watson's secret manuscripts are revealed to the public, a multitude of previously unseen cases come to light. An American millionaire receives threatening letters from a sinister Black Hand . . . A mysterious box terrifies a shopkeeper . . . Holmes and Watson feel the influence of an old enemy from beyond the grave . . . And a tragedy occurs which Sherlock Holmes will never be able to forgive himself for failing to prevent. From the smoky streets of London to a countryside mental institution, the renowned detective and his faithful sidekick Watson must use all their cunning to solve this array of mysteries. Murders, madness and diamonds abound as June Thomson continues the Holmes canon with a brilliance and ingenuity that perfectly captures where Conan Doyle left off.

Collecting the entire first arc of Sir Arthur Conan Doyle's Sherlock Holmes and Dr John Watson re-envisioning as African Americans living in New York City's famous Harlem district. Watson, an Afghanistan war vet, works in an inner-city clinic; Holmes, a local P.I. who takes unusual cases. When one of them ends up in Watson's emergency room, the unlikely duo strike up a partnership to find a missing girl. Watson & Holmes bump heads along the way as they enter a labyrinth of drugs, guns, gangs and a conspiracy that goes higher and deeper than they could have imagined. Containing epilogue issue #5 Second Printing- Includes extra 36 pages of material not available previously.

Nominated for the Edgar Award for Best Fact Crime! This is the shocking and amazing true story of the first female U.S. District Attorney and traveling detective who found missing 18-year-old Ruth Cruger when the entire NYPD had given up. Mrs. Sherlock Holmes tells the true story of Grace Humiston, the

lawyer, detective, and first woman U.S. District Attorney who turned her back on New York society life to become one of the nation's greatest crime-fighters during an era when women were still not allowed to vote. After agreeing to take the sensational case of missing eighteen-year-old Ruth Cruger, Grace and her partner, the hard-boiled detective Julius J. Kron, navigated a dangerous web of secret boyfriends, two-faced cops, underground tunnels, rumors of white slavery, and a mysterious pale man, in a desperate race against time. Brad Ricca's Mrs. Sherlock Holmes is the first-ever narrative biography of this singular woman the press nicknamed after fiction's greatest detective. Her poignant story reveals important clues about missing girls, the media, and the real truth of crime stories. Mrs. Sherlock Holmes is a nominee for the 2018 Edgar Awards for Best Fact Crime.

Arthur Conan Doyle (1859 – 1930) was an English writer best known for his detective stories about Sherlock Holmes. This book is an autobiography of Sir Doyle, describing different aspects of his professional life as an adventurer, doctor, sportsman, box fan, and writer. It also describes most of his adventures and relationship with many famous figures like Kipling, Arthur Balfour, and Oscar Wilde.

Are you a fan of Sherlock Holmes? Do you want to know some incredible trivia about the world's greatest detective? Whether it is Benedict Cumberbatch in the BBC's Sherlock that you enjoy, or Robert Downey Junior's portrayal in the film series that piques your interest, this fantastic book of facts from Jack Goldstein and Jimmy Russell is sure to be an excellent addition to your bookshelf. With sections covering adaptations of the stories, Sir Arthur Conan Doyle and of course the most amazing and unbelievable facts, this is the perfect way to find out more about the best-selling hero.

It is not often that Sherlock Holmes opens up about his cases to anyone, even to his friend Dr. Watson. But this time it is different. Dr. Watson works in his clinic but finds time to assist Holmes in his brave adventures. This time, however, Holmes is in the mood of reflecting his past cases and mysteries. With the help of his loyal friend, Watson, he writes down these intriguing tales in his Memoirs. We get to see a new Holmes who talks of his old days when he had just started working as an amateur detective. But amateur or not, his problem-solving techniques are surely the talk of the town!
