It takes more than a great idea to make your side hustle a success. Here, two experts show you how to build one that creates the autonomy you desire and changes the way you live. Carrie Bohlig and Craig Clickner started side hustles to make their lives better-to break free from the limitations of corporate America and have more time with their kids and each other. Today, they're entrepreneurs who have built multiple thriving businesses and helped thousands of people through mentoring, coaching and sharing their insights across the globe. In So You Want to Start a Side Hustle, you'll learn all the secrets of their successes: Through real-life stories, lessons learned from personal wins and losses, and illuminating anecdotes about their experiences speaking to solopreneurs and other small business owners, Carrie and Craig show you how to get your idea from the thinking and planning stages to the life-changing, revenue-producing venture you want it to be. Designed as a "traveling adventure guide," So You Want to Start a Side Hustle lays out how to establish a clear Life Vision and develop the right Lifeset for ongoing success. This foundation, say Carrie and Craig, is crucial. It's the framework that allows you to sharpen your focus, overcome challenges and obstacles, and create a side hustle that has ongoing impact on your life and generates lasting success and revenue. Will you find smart ways to handle marketing, decision making, and funding? Absolutely. But with its emphasis on building the right mindset, Lifeset, and support structure, So You Want to Start a Side Hustle is more than a how-to book: It's an essential guide to helping you establish a vision for your life--and to leverage your side hustle to create the life you truly want.
