Whether you are just now beginning to explore your sissy tendencies or if you are simply in need of a refresher course into your sissy femmdom, this is the right book for you. Here you will learn exactly what it takes to become a well-rounded sissy boi. Every true sissy boi knows that practice is essential to their lifestyle. This book should be used throughout your sissy training as a reference guide whenever needed. In Course One of your Femme Fabulous training, you will be learning the essentials of becoming a proper little sissy boi. You will learn how to find the perfect wardrobe items that make your assets shine, learn the proper way in which makeup should be applied, how to walk in high heels, the importance of incorporating feminine mannerisms into your daily life, and much more. Once you have completed the basics in Course One, you can move onto Course Two, where you will learn the proper way to train yourself to have a new more feminine voice as well as proper sissy etiquette, image enhancement, and mastering your personal and physical appearance in public. After finishing both Course One and Course Two of your Femme Fabulous sissy training, you are sure to be the proper little sissy both you and your Mistress desire.

A few years back the term "sissy" was used in a pejorative manner to describe a man who was a "little feminine", had a "girly taste" in colors and style, and was interested in things considered to be meant "only for women". If you are saying, "What's wrong with that"...well, there is nothing wrong with that...but it was considered to be wrong in the past. Things have changed now. Gender identities are no longer confined to "male" and "female". You could be a cross-dresser or a transgender or a transsexual and you are absolutely fine and have the same legal rights as those who confirm with the two main gender identities of male and female. Sissy is no longer a negative word. People are actually proud to be a sissy. But what about you? Are you a sissy? Are you confused? May be you are not sure whether you are a sissy or not? Well, don't you worry...take this quiz and find out whether you are a sissy or not? Once you are through answering the questions, check out the scoring chart at the end and tally up your scores to find out where you stand on the macho and sissy scale. Good luck!

Welcome to Course 1 of your sissy maid training! This is a starter how-to guide for the beginner sissy maid. Here you will learn the basic knowledge and skills you need to know to be the perfect sissy maid that you and your Mistress/Master desire. Whether you are just beginning your sissy training or looking for a refresher course in the basics this is the guide for you. You will gain the skills you need to push you in the correct direction towards your ultimate goal of becoming your true self. In Course 1 you will learn everything from the basics of personal care and hygiene, how to properly curtsey to your Mistress/Master, how to incorporate your sissy maid outfits into your daily life, as well as the proper way in which you should begin incorporating daily chores such as dish washing, laundry, ironing and the basics of baking. This book should not only help you become more feminized but should also serve as a guide in which you can reference often during your sissy training. After you and your Mistress/Master feel satisfied with your progress you should move on to the more advanced courses in this series. The next course will dive into tea service, the proper way in which a table should be set, party planning and much more.

These public humiliation assignments are designed to better bend your mind and help you become the true sissy boi you and your Mistress would like you to be. You must always push your boundaries during your sissy training so that you can move forward. Show your Mistress that you are devoted to both her and continuing your sissy boi training by completing these 25 assignments. You may find some of these public humiliation assignments more difficult than others but in the end you will be rewarded with the fact that the new lifestyle that you have chosen is slowly becoming a reality. Becoming your true self can sometimes be demeaning and humiliating but you must remember at all times that these tasks will give pleasure to your Mistress. Completing these sissy tasks will prove your devotion to your Mistress and will show her you are sincere about continuing your sissy training.

Welcome to Course Two of your sissy maid training academy. By now you should be incorporating some of your sissy maid duties that you learned from Course One into practice throughout your daily life. So far you have learned the proper way a sissy maid dresses, how to properly curtsy to your Mistress/ Master, and the proper way a sissy maid cleans her dishes. You are

well on your way to making your dreams of becoming a proper little sissy maid a reality. In Course Two you are going to be learning how to have a tea service, the proper way to dust your house, cleaning the bathroom like a real sissy maid, how to properly set a table for dinner and much more. After this course you will have plenty of daily, weekly and monthly sissy maid tasks to work on. Course Two should not only help you become more effeminate but it should also serve as a reference guide during your entire sissy transformation.

To prove your devotion to your Mistress you must first go through a process proving your worth to her. This will start with you completing the sissy shopping tasks below. They will slowly take away your manhood and mold you into the proper sissy slave your Mistress desires. Following these tasks will teach you everything your Mistress needs to know about whether or not you will be a proper little sissy. You will be taught everything you need to know to please your Mistress and make your transition into sissification complete. It's another night in San Francisco, and Miranda (aka Randy, when she's not dressed like a boy) has hit the streets looking for trouble. She has an eye for gay men in leather, and most nights she's too much of a girl for them. But tonight she meets her match: Jack, who thinks she's hot no matter who she is. This is San Francisco's notorious SOMA of the 1990s - home to dark alleys, tastefully appointed dungeons, hotel penthouses, clubs where gender dissolves and reshapes. In this bygone sexual utopia, Randy/Miranda embraces desires beyond gender and orientation, beyond what she ever thought she could contain... A FIRECRACKER ALTERNATIVE BOOK AWARD WINNER FOR BEST FICTION!

In her revealing tell all book Janice Parker sheds light on the unique relationship between sissy maids and their families. With her unique style she also gently probes the special platonic relationship that typically exists between a Mistress and her sissy maid. For good reasons most crossdressers generally don't share their secret fantasy life with anyone. They tend to stay particularly hush-hush with their family members and they try desperately to keep them unaware of their activities. In Sissy Maid Family you'll find out what happens to Merri when her sister accidentally discovers her secret obsession with crossdressing and her intimate passion for maid service.
