When Ronnie's husband, Nick, leaves her for their next-door neighbour, Gaye, Ronnie's life starts to fall apart. Devastated by the break-up of her marriage, Ronnie is desperate for Nick and Gaye to set up home elsewhere. But Nick and Gaye won't budge. To add to her problems, Ronnie's daughter and mother-in-law decide to stage an intervention. With her family keeping a close eye on her, Ronnie is forced to become more devious in her actions to get rid of Nick and Gaye. But just how far will she go? And is moving on ever that easy? Six Steps to Happiness is a hilarious look at just how far one woman will go to recover from a broken heart and find happiness again. What everyone is saying about Six Steps To Happiness: "I highly recommend this hilarious romance." "I definitely recommend this book, you won't be disappointed!" "Some parts had me laughing and some parts left me wanting to cry." "A great happy read, with fun and laughter thrown in!" "A book with a message and also one with lots of smiles. Loved it." Suzie Tullett is the bestselling author of The French Escape, Little White Lies and Butterflies and The Trouble With Words. Six Steps To Happiness is an uplifting and laugh-out-loud Romantic comedy which will appeal to fans of authors like Sue Roberts, Marian Keyes and Sarah Morgan.

An insightful look at how you can put net profit income at the forefront of your small to mid-sized business Enable you to make changes that will create a profitable, sustainable business future, Six Steps to Creating Profit authoritatively shows you how to maximize profit for your small to mid-sized, privately-held, service-based business. Shows how to avoid the business model where all income is devoured by expenses, leaving a valuation that would not render any measurable sales revenue if the business should be sold Discusses how to create a company where actual profit generation is one of the primary goals Provides the steps necessary to create "true" profit Features coverage of rules of operation, visibility in the marketplace, marketing, cash flow, and management costs Demonstrating how measuring the results of change is vital and part of the ultimate, ongoing, profit-based solution. Six Steps to Creating Profit reveals how the before and after of each operational area is as important to evaluate as the intended change itself.

For the fourth book in her popular Setting Boundaries™ series, Allison Bottke turns to our relationship with food, and a problem that affects more than 200 million Americans (68 percent of the adult population)—obesity. Setting Boundaries® with Food is a very personal book for Allison. She knows from personal experience about the struggle against obesity—feeling trapped in a seemingly never-ending cycle of dieting, deprivation, and despair. At one time in her life, Allison's scale hit the 300-pound mark. Her overweight status resulted in Allison being the first full-figure model ever signed by the prestigious Wilhelmina modeling agency, where she worked for some of the biggest names in fashion, such as Gloria Vanderbilt and Alfred Angelo. From her struggle, Allison offers more than just hope for the future. By introducing readers to her popular S.A.N.I.T.Y. steps, she encourages readers to turn away from the insanity of dieting and deprivation and to focus instead on establishing healthy relationships with food, self, others, and God. Her words will strike a chord with millions who have struggled for years to lose weight as they are encouraged to examine the emotional and spiritual aspects of their bondage to food and obsession with weight.

Luke spots Eve at his dad's funeral. She's hot - and she's the perfect distraction from his messed up family life. There's only one problem - she's got a boyfriend. Still, Luke's not going to give up that easily... When he meets Ryan at a party and hears about 'the Six Steps method' to guarantee success with any girl, Luke determines to put it to the test. Step by step, he begins to get closer to Eve - but one step forward seems to mean two steps back, and when he's hospitalised by the jealous boyfriend, he wonders if any girl - even one as gorgeous as Eve - is really worth it...

Fifteen-year-old Juniper Kelly has grown up beneath an umbrella of secrets. Living in a rural South Carolina town with her single, hard-working mother, Juniper bears the brunt of her classmates' teasing for her second-hand clothes, her love of solitude and for the status of her elusive, mystery father. A father whose name she doesn't even know. Driven by her mother's unwillingness to divulge her father's identity, Juniper sets out on her own to uncover the truth she's always sought. What she discovers will forever change her life and who she is. A dilapidated farm house, a single white feather and a story steeped in mythology set Juniper down a path towards fulfilling a destiny larger than she ever could have imagined.

Modern life is complicated, much more so than it used to be. Acclaimed author and social entrepreneur, Julia Hobsbawm, shows you a simpler way. The Simplicity Principle challenges the assumption that all things that are complex have to stay that way. It helps keep things as lean, simple and focused as possible. Smartphone users experience concentration interruptions every 12 minutes of the day, there are over 250 billion emails sent every 24 hours and by 2021 the internet will have created more than 3.3 zettabytes of data. Yet complexity doesn't have to dominate, complicate or clutter our lives. Based on a hexagonal model, this book shows you that it's easy to streamline and simplify both your professional and personal lives with lessons based on the natural world. For anyone who feels that life can be too much, The Simplicity Principle will help you break free of the endless choices and complexities that we face in the world today. It's time to gain control of your focus and productivity, and most importantly, KEEP IT SIMPLE.

If you are experiencing a deterioration of health and looking for a roadmap to get back to a pain-free existence, this book is the key! Journey Back to Health is the culmination of ten years of research in a clinical and professional setting, launched by Sharissa Bradley's own health crisis and journey to healing from autoimmune diseases.
