Looking for wit, wisdom, and inspiration all within the pages of one useful book? Read *Something Else*. Life is a turbulent journey, fraught with confusion, heartbreak, and inconvenience. This collection of wit and wisdom from New York Times bestselling author Lemony Snicket is unlikely to help. It includes a new introduction filled with curious aphorisms, a handful of never-before-seen-or-heard quotations, and fan favorites from works over the years. These dubious offerings, collected from Snicket 's books, unpublished papers, and more, have been made pleasing to the eye by illustrations, select fan art, and design flourishes.

Is there an afterlife? What happens when we die? How do we reach the other side? What is heaven like, according to comatose children who have regained consciousness? What do Quantum and Reincarnation theories share? Is organ transplantation the physical replacement of organs or is there more to it than that? What are soulmates?
