A 2021 YALSA EXCELLENCE IN NONFICTION FINALIST America is the greatest democracy in the world . . . isn't it? Author Elizabeth Rusch examines some of the more problematic aspects of our government but, more importantly, offers ways for young people to fix them. The political landscape has never been so tumultuous: issues with the electoral college, gerrymandering, voter suppression, and a lack of representation in the polls and in our leadership have led to Americans of all ages asking, How did we get here? The power to change lies with the citizens of this great country—especially teens! Rather than pointing fingers at people and political parties, You Call This Democracy? looks at flaws in the system—and offers a real way out of the mess we are in. Each chapter breaks down a different problem plaguing American democracy, exploring how it's undemocratic, offering possible solutions (with examples of real-life teens who have already started working toward them), and suggesting ways to effect change—starting NOW!

This novel of female friendship in the midst of war is “The Things They Carried for women in Iraq” (The Boston Globe). Nineten-year-old Kate Brady joined the army to bring honor to her family and to the Middle East. Instead, she finds herself in a forgotten corner of the Iraq desert in 2003, guarding a makeshift American prison. There, Kate meets Naema Jassim, an Iraqi medical student whose father and little brother have been detained in the camp. Kate and Naema promise to help each other, but the war soon strains their intentions. Like any soldier, Kate must face the daily threats of combat duty, but as a woman, she is in equal danger from the predatory men in her unit. Naema suffers bombs, starvation, and the loss of her home and family. As the two women struggle to survive and hold on to the people they love, each comes to have a drastic and unforeseeable effect on the other’s life. From the author of Wolf Season and The Lonely Soldier, and informed by numerous interviews with those who were there, Sand Queen is a “heartbreaking, vivid story of the particular difficulties of being not just a soldier, but a female soldier” (Bustle).

A military Sci-Fi political thriller set a short decade from now. In 2031, holding to the concept of Individual Liberty can get you killed. Western Civilization is in collapse, a process led and driven by the world's leading supposed democracies, our own included. What was once the western world's guiding light of Liberty is quickly being replaced by state sponsored serfdom under the guise of a global economic re-set done in the name 'the workers.' The people of The Program have seen the unfettered growth of government power coming for decades and they've worked in secret since the 1950's on engineering their way around and through the multiverse established by Quantum theory. They aren't perfect and they've lost the political fight to the left's government power and to the right's corporate statism. The world's people have been force fed a political chasm between left and right for so long they don't recognize that the governments themselves drive this supposed battle while ensnaring everyone. Those that see the truth, people from nearly every country on the planet, have banded together in secret knowing they can't win. Not on this world. They're leaving... .. but new destinations rarely mirror the guide book. The thing about a new empty world is that they may not be the only ones willing to fight for it. A debut novel, the first in a series from a former CIA operations officer who has decided that his lifelong writing habit/hobby/obsession is more fun than "real" work. "Finally an author that doesn't pull punches..." - Amazon reviewer"It's 4 am, and I'm not going to work - just finished one of the best books I've read in years..." - Amazon reviewer

The Dragon's Game, book four of James Erith's Eden Chronicles, is the latest in his high-octane, action-crammed, fantasy-adventure series with wonderful twists and turns. Praise for The Dragon's Game: "This book. This author. The entire series. Uber creativity and style!"
