Spread Your Wings and Fly is a book about a beautiful and colorful bird family. The story concentrates on the two of three little birds in the family-Remmy Bird and Sophie Bird. They go on a journey throughout the forest, and they get lost. They have help along the way and meet one that will change their lives forever. This book is fun, interesting, and helps those reading it to become aware of what they already possess!

What can you uniquely give the world? We often sell ourselves short with self-limiting beliefs, but most of us would be amazed and delighted to know that we do have something special - our distinctive passions and talents - to offer. And what if I told you that what you have to give will also enable you to live a life of true contentment? How is that possible? It happens when you embrace and curate your own simply luxurious life. We tend to not realize the capacity of our full potential and settle for what society has deemed acceptable. However, each of us has a unique journey to travel if only we would find the courage, paired with key skills we can develop, to step forward. This book will help you along the deeper journey to discovering your best self as you begin to trust your intuition and listen to your curiosity. You will learn how to: - Recognize your innate strengths - Acquire the skills needed to nurture your best self - Identify and
