They head for the woods, where they find their way onto a raft, but the natural terrors of Ironstone gorge threaten to overwhelm them. Four adults track them into the forest, each one on a journey of his or her own. Fish's mother Miranda, a wise woman full of fierce faith; his granddad, Teddy, who knows the woods like the back of his hand; Tiffany, a purple-haired gas station attendant and poet looking for connection; and Sheriff Cal, who's having doubts about a life in law enforcement.
