Story Of The Eye

Story of the Eye (French: L'histoire de l'œil) is a 1928 novella written by Georges Bataille, as a psychoanalytical task, that details the increasingly bizarre sexual perversions of a pair of teenage lovers. It is narrated by the young man looking back on his exploits.

Story of the Eye - Wikipedia

'Story of the Eye' is a scathing critique of the tendency, in both Hollywood and literature, to trivialize female sexuality and power. Simone and Georges battle over the metaphorical 'eye' but the real tension exists in the struggle over who gets to tell the story and ultimately, which story gets told.

Story of the Eye (2012) - IMDb

Shocking and sacreligious, Story of the Eye is the fullest expression of Bataille 's obsession with the closeness of sex, violence and death. Yet it is also hallucinogenic in its power, and is one...

Story of the Eye by Georges Bataille - Books on Google Play

Story of the Eye Georges Bataille, French essayist and novelist, was born in 1897. He was converted to Catholicism, then to Marxism and was interested in psychoanalysis and mysticism. As curator of the municipal library in Ori é ans, he led a relatively simple life, although he became involved, usually on the fringes, with the Surrealist movement.

A pornographic fantasy in which the young male narrator and his lovers Simone and Marcelle embark on a sexual quest involving sadism, torture, orgies, madness and defilement, culminating in a final act of transgression.

Novel, translated by Joachim Neugroschel. Bataille's scandalous STORY OF THE EYE, written under the pseudonym Lord Auch, centers around the exploits of a young couple exploring the utmost boundaries of the sacred and profane. This hallucinatory melding of sex and religion has lost none of its transgressive power since its original publication in the 1920s, and prefigures Bataille's later studies of death and sensuality, including EROTISM and THE TEARS OF EROS, also published by City Lights and available from SPD.

The author, a victim of birth injuries that left him paralyzed and unable to communicate, presents his autobiography as the story of Joseph Meehan, a disabled student who gains fame as a writer.

Joan Brock seems to have the perfect life: a deep faith in God, a happy marriage, a beautiful young daughter, and a satisfying career teaching blind students how to adapt to a seeing world. Then Joan's own eyesight begins to fail due to a rare and an incurable condition. Her world becomes shrouded in shadows, where familiar objects, where familiar objects, such as an out-of-place chair or a door left ajar, prove perilous. As Joan struggles to adapt to her new reality, she receives another harsh blow: her husband is diagnosed with terminal cancer. How can I do this alone? She wonders. What will happen to my daughter? More Than Meets the Eye is the powerful story of meeting hardships head-on with resilience and a resolute faith that turns sorrow into joy and tragedy into triumph. It is also a story of unexpected romance. In 2003 Joan's remarkable story was the basis of a television movie, More Than Meets the Eye: The Joan Brock Story, which premiered on the Lifetime network and was distributed internationally by Hallmark.

Essays discuss the work of Emily Bronte, Baudelaire, William Blake, Proust, Kafka, Genet, and de Sade, and examine the depiction of evil

In 2015 #thedress captured the world 's imagination. Was the dress in the picture white and gold or blue and black? It inspired the author to ask: if people in the same time and place can see the same thing differently, how did people in distant times and places see the world? Jam-packed with fascinating stories, facts and insights and impeccably researched, A History of Seeing in Eleven Inventions investigates the story of seeing from the evolution of eyes 500 million years ago to the present day. Time after time, it reveals, inventions that changed how people saw the world ended up changing it altogether. Twenty-first-century life is more visual than ever, and seeing overwhelmingly dominates our senses. Can our eyes keep up with technology? Have we gone as far as the eye can see?

" Lifting the veil on the shadowy world of art insiders, Costamagna delivers an entertaining reflection on the dealers, devotees, and decision makers. " —Town & Country Magazine
It 's a rare and secret profession, comprising a few dozen people around the world equipped with a mysterious mixture of knowledge and innate sensibility. Summoned to Swiss bank vaults, Fifth Avenue apartments and Tokyo storerooms, they are entrusted by collectors, dealers and museums to decide if a coveted picture is real or fake and to determine if it was painted by Leonardo da Vinci or Raphael. The Eye brings to light the rarified world of connoisseurs devoted to the authentication and discovery of Old Master art works. This is an art adventure story and a memoir all in one, written by a leading expert on the Renaissance whose m é tier is a high-stakes detective game involving massive amounts of money and frenetic activity in the service of the art market and scholarship alike. It 's also an eloquent argument for the enduring value of visual creativity, told with passion, brilliance and surprising candor. " [A] rollicking and erudite tour of the art world . . . Costamagna 's candor and well-earned hubris make for an entertaining foray into the high-stakes art world. " —Publishers Weekly
" As thrilling as a police novel. " —La Croix
" An insider 's look at the dramatic world of attributing and dating art . . . This art world Sherlock Holmes travels the globe . . . Delightful. " —Introspective Magazine
" One comes away feeling somewhat re-sensitized to beauty and somewhat nostalgic for an era when museums weren 't the selfie-stick madhouses they are today. " —The Washington Post

Bobby Hale is a Union veteran several times over. After the war, he sets his sights on California, but only makes it to Montana. As he stumbles around the West, from the Wyoming Territory to the Black Hills of the Dakotas, he finds meaning in the people he meets-settlers and native people-and the violent history he both participates in and witnesses. Far as the Eye Can See is the story of life in a place where every minute is an engagement in a kind of war of survival, and how two people-a white man and a mixed-race woman-in the midst of such majesty and violence can manage to find a pathway to their own humanity. Robert Bausch is the distinguished author of a body of work that is lively and varied, but linked by a thoughtfully complicated masculinity and an uncommon empathy. The unique voice of Bobby Hale manages to evoke both Cormac McCarthy and Mark Twain, guiding readers into Indian country and the Plains Wars in a manner both historically true and contemporarily relevant, as thoughts of race and war occupy the national psyche.

As blind child prodigy Bartholomew grows up, regains his sight at thirteen, and sets out to transform the lives of everyone around him, Junior Cain, a serial killer and rapist who believes that Bartholomew is his nemesis, goes on a hunt to kill him.

When Jackson Cooper is suddenly sucked into another world, he must find the courage to fight an evil monster before it destroys everything in its path! Even on his birthday, nothing is going right for Jackson Cooper. His friends think he 's a wimp for not biking down a steep hill, and his father, who 's always in a bad mood since he lost his job, is acting weirder than normal. To top it off, Jackson has to babysit his little sister. The year is off to a rough start. To take his mind off his bad luck, Jackson decides to go on a walk through the woods but gets caught in a storm. While taking shelter in a nearby cave, Jackson pulls a peculiar stone from the wall—and is suddenly transported to another world! The inhabitants of this strange new place called Timmra believe that Jackson is the chosen one, a promised gift from their god to protect them from a beast bent on ending the universe. But can Jackson overcome his fears in time to save the Timmrans, or is he truly the wimp his friends think he is?
