About As a girl, Marissa was forever getting notes sent home from teachers about reading novels during class, and she still would rather read a good book than do just about anything else. She now lives in a small town in the Snoqualmie Valley with her husband, six children, and heaps of books.

Marissa Burt
Storybound by Marissa Burt is essential to read before reading Story's End. It is a two part series that only work as two parts of a whole. But as an entire whole they work tremendously. Una is a girl who loves to read and has been "written in" to the world of story.

In the land of Story, kids go to school to learn to be the perfect character: a brave Hero, a trusty Sidekick, even the most dastardly Villain. They dream of the day when they will live out Tales written just for them. But when an ordinary girl named Una Fairchild finds herself Written In to Story, she discovers that the magical land is threatened by a dark secret. As she digs deep into Story's shadowy past, Una realizes that she is tied to the world in ways she never could have imagined—and it may be up to her to save it.

When Una Fairchild stumbles upon a mysterious book buried deep in the basement of her school library, she thinks nothing of opening the cover and diving in. But instead of paging through a regular novel, Una suddenly finds herself Written In to the land of Story—a world filled with Heroes and Villains and fairy-tale characters. But not everything in Story is as magical as it seems. Una must figure out why she has been Written In—and fast—before anyone else discovers her secret. Together with her new friend Peter and a talking cat named Sam, Una digs deep into Story's shadowy past. She quickly realizes that she is tied to the world in ways she never could have imagined—and it might be up to her to save it.

Enter the magical land of Story in this sequel to Storybound, perfect for fans of Inkheart, The School for Good and Evil, and classic fantasy tales like Ella Enchanted and The NeverEnding Story. Kids who love fairy tales, dragons, and magic will be enchanted by Una Fairchild's unforgettable adventure in Story's End. Story is a land of dashing Heroes, dastardly Villains, and epic quests—and once upon a time, a noble King. But the King vanished so long ago that even the memory of him is lost. Now a cruel Enemy plots to rewrite Story's future, and an ordinary girl named Una Fairchild may be the only one who can stop him. As Una and her friends Peter and Indy race to defeat the Enemy, their quest will take them deep into the secrets of Story's past. . . and Una's own mysterious ties to this fairy-tale kingdom and its long-forgotten King. Discover the richly imagined world, spirited cast of storybook characters, and timeless appeal of Story's End, which closes the book on Una's adventure "with an all-out bang" (ALA Booklist).

From Marissa Burt, author of Storybound, comes a richly imagined middle grade fantasy. Full of magic and mystery, A Sliver of Stardust is the perfect adventure for fans of A Wrinkle in Time or The Emerald Atlas. Wren Matthews thought she 'd outgrown nursery rhymes a long time ago. But that was before she knew that songs of twinkling little stars and four-and-twenty blackbirds were the key to an ancient, hidden magic. Wren 's discovery catapults her into a world of buried secrets, strange dreams, and a mountain fortress under an aurora-filled sky. But just as she starts to master her unique abilities, her new world begins to crumble around her. . . and only she can save it.

The rhymes of Mother Goose meet A Wrinkle in Time in this sequel to A Sliver of Stardust, from Marissa Burt, the author of Storybound. The Land of Nod used to be just a name in a nursery rhyme to Wren. But when she discovered the secret magic of stardust, she learned that some of those rhymes had secrets of their own—and the Land of Nod is real. A few months ago, the evil Magician Boggan attempted to escape his exile on Nod and return to Earth. Wren stopped him, but Boggan is still out there. To save her world, Wren will travel farther than even she could have dreamed: to the heart of Nod itself, where she must defeat Boggan once and for all. A fantastic adventure with a captivating world, inventive magic, and a dash of science, A Legend of Starfire is the perfect next read for fans of Madeleine L ' Engle, John Stephens ' s The Emerald Atlas, or Stefan Bachmann ' s The Peculiar.

" Inspiring, cozy, and full of heart! " —Lisa Greenwald, author of 11 Before 12 and the Pink & Green series A thirteen-year-old girl spends her first holiday away from home completing a scavenger hunt that takes her across Europe in 12 Dares of Christa, the first contemporary novel from Marissa Burt, author of Storybound. Christa is a holiday junkie. What ' s not to love? There ' s decorations! Gifts! Caroling with friends! But thanks to her parents ' recent separation, Christa ' s favorite time of year is now filled with heartache. And when her mom announces that she ' s taking her on a mother-daughter trip to Europe over winter vacation, Christa knows she should be excited. She just can ' t imagine spending the yuletide season without her dad. However, waiting at her hotel in Italy is a special package from her father: the first of twelve dares that take Christa to landmarks in three beautiful countries and introduce her to people who will show her that hope is alive in the strangest of places. Funny, genuine, and feel-good to the core, The 12 Dares of Christa is one fa-la-la-filled adventure that fans of Wendy Mass and Lisa Greenwald will love.

Beware! Dangerous secrets lie between the pages of this book. OK, I warned you. But if you think I'll give anything away, or tell you that this is the sequel to my first literary endeavor, The Name of This Book is Secret, you're wrong. I'm not going to remind you of how we last left our heroes, Cass and Max-Ernest, as they awaited initiation into the mysterious Terros Society, or the ongoing fight against the evil Dr. L and Ms. Mauvais. I certainly won't be telling you about how the kids stumble upon the Museum of Magic, where they finally meet the amazing Pietro! Oh, blast! I've done it again. Well, at least I didn't tell you about the missing Sound Prism, the nefarious Lord Pharaoh, or the mysterious creature born in a bottle over 500 years ago, the key to the biggest secret of all. I really can't help myself, now can I? Let's face it - if you're reading this, it's too late.

Lucy, a milkmaid, and her best friend Wynston, a reluctant prince, go in search of information about Lucy's missing mother—even though Wynston is supposed to be searching for a proper princess to marry.

As plague ravages the overcrowded Earth, observed by a ruthless lunar people, Cinder, a gifted mechanic and cyborg, becomes involved with handsome Prince Kai and must uncover secrets about her past in order to protect the world in this futuristic take onthe Cinderella story.

Eleven-year-old Rory, daughter of a famous actress and a famous movie director, finds herself becoming a celebrity in her own right as she helps create a new fairy tale as a participant in the after school program, Ever After School.
