STRATEGIC MANAGEMENT: Creating Competitive Advantages, 3/e, by Dess, Lumpkin, and Eisner, responds to the demands of today’s rapidly changing and unpredictable global marketplace that students will face when they enter the business world. The concepts-only text provides students with a timely, rigorous, and relevant book written in an engaging manner to spur their interest and excitement. This book provides a solid treatment of traditional topics in strategic management as well as contemporary topics such as entrepreneurship, knowledge management, and e-commerce and internet strategies. Numerous applications from business practice plus sidebars (approximately six per chapter) bring key concepts to life. Instructors can create their own case volumes for use with Strategic Management 3rd Edition from a variety of source- pre-selected case packets, customizing from a recommended set which have been carefully mapped to the chapter concepts, or from the entire Primis database which features cases from Harvard, Darden, INSEAD, Ivey, and other reputable sources.

Strategic Management: Text and Cases, Tenth edition, written by authors Dess, McNamara, Eisner, and Lee continues its tradition of being readable, relevant, and rigorous. Its engaging writing style minimizes jargon to maximize readability. It provides examples from management practice and societal themes including environmental sustainability, ethics, globalization, entrepreneurship, and data analytics to make the content relevant. It draws on the latest research by management scholars and insights from executives to balance accessibility with rigor. They provide separate chapters on the role of intellectual assets in value creation (Ch. 4), entrepreneurial strategy and competitive dynamics (Ch. 8), and fostering entrepreneurship in established organizations (Ch. 12). This version includes the all the text and 38 cases.

Introduce your students to strategic management with the market-leading text that sets the standard for the most complete, relevant presentation. Written by highly respected experts and prestigious instructors, Hit, Ireland and Hoskissons, STRATEGIC MANAGEMENT: COMPETITIVENESS AND GLOBALIZATION, CONCEPTS AND CASES, 10E provides an intellectually rich, yet thoroughly practical, analysis of strategic management today. This unique text is the only one that integrates the classic industrial organization model with a resource-based view of the firm to give students a complete understanding of how today’s businesses use strategic management to establish a sustained competitive advantage. The authors combine the latest, cutting-edge research and strategic management trends with ideas from some of today’s most prominent scholars. A strong global focus and carefully selected examples from more than 600 emerging and established companies place ideas into context within an inviting, practical presentation. A wealth of learning features, experiential exercises and more than 30 all-new compelling cases examine a broad range of critical issues confronting managers today. Engaging, updated video cases, CNOW online teaching tools, and a complete electronic business library help keep issues current and relevant. STRATEGIC MANAGEMENT: COMPETITIVENESS AND GLOBALIZATION provides the solid understanding your students need to effectively apply strategic management tools and techniques to increase performance and their organization’s competitive advantage. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Robert M. Grant combines a highly accessible writing style with a concentration on the fundamentals of value creation and an emphasis on practicality in this leading strategy text. In this new edition, he includes an even greater focus on strategy implementation that reflects the needs of firms to reconcile scale economies with entrepreneurial flexibility, innovation with cost efficiency, and globalization with local responsiveness. This edition also incorporates some of the key strategic issues of today including: post-financial crisis adjustment, the continuing rise of China, India and Brazil, and the increased emphasis on ethics and sustainability. Coverage is also provided on strategy in not-for-profit organizations. Contemporary Strategy Analysis, 8th Edition, is suitable for both MBA and advanced undergraduate students. It has been adopted by leading business schools all across the world.
