Sumo is a fresh and funny introduction to the fascinating world of sumo, Japan's national sport. Author David Benjamin peels away the veneer of sumo as a cultural treasure and reveals

it as an action-packed sport populated by superb athletes who employ numerous strategies and techniques to overcome their gargantuan opponents. Sumo provides an engaging, witty, behind-thescenes look at sumo today.

Ready, set, sumo! Japan's centuries-old national sport is the main attraction in this paper-based smackdown where creativity and competition collide. The result? Laughs guaranteed! There is an impressive assortment of 39 characters—from traditional sumo Page 39/53

wrestlers to animals to monsters and other eye-catching creatures from Japanese lore. Additional characters can be created by drawing on customizable shapes. Then battle it out against an opponent's character on the sumo doyho ring. With each player

tapping on his or her side of the doyho, the stakes are high until one of the characters falls and the other wins!

Perfect for early learning, this fun board book in the Little Sumo series, from the creator of the Little Kunoichi series, features sumo Page 41/53

wrestlers that introduce children to counting and shares elements of Japanese culture that will enrich readers of all ages. Take a peek into the lives of sumo wrestlers in this adorable counting book! Simple, charming scenes within the sumo stable let young

readers practice numbers from one to ten, fifty, and one hundred, while they learn how sumo wrestlers do chores. practice, sleep, bathe, and eat together. Each page features a Japanese word related to sumo culture, as well as the number in English and Japanese.

At the age of eighteen, Chad Rowan left his home in rural Hawai'i for Tokyo with visions of becoming a star athlete in Japan's national sport, sumo. But upon his arrival he was shocked less by the city crowds and the winter cold than by having to

scrub toilets and answer to fifteen-yearolds who had preceded him at the sumo beya. Rowan spoke no Japanese. Of Japanese culture, he knew only what little his father, a former tour bus driver in Hawai'i, had been able to tell him as they drove to the airport. And he had Page 45/53

never before set foot in a sumo ring. Five years later, against the backdrop of rising U.S.-Japan economic tension, Rowan became the first gaijin (non-Japanese) to advance to sumo's top rank, yokozuna. His historic promotion was more a cultural accomplishment than Page 46/53

an athletic one, since vokozuna are expected to embody highly prized Japanese values such as hard work, patience, strength, and hinkaku, a special kind of dignity thought to be available only to Japanese. He was promoted ahead of his two main rivals. Page 47/53

the brothers Koji and Masaru Hanada, who had been raised in the sumo beya run by their father, the former sumo great Takanohana I. Perhaps the defining moment of the gaijin's unique success occurred at the 1998 Nagano Olympics, when Rowan, chosen to Page 48/53

personify "Japanese" to one of the largest television audiences in history, performed a sacred sumo ritual at the opening ceremony. Gaijin Yokozuna chronicles the events leading to that improbable scene at Nagano and beyond, tracing Rowan's life from his Hawai'i upbringing to Page 49/53

his 2001 retirement ceremony. Along the way it briefly examines the careers of two Hawai'i-born sumotori who paved the way for Rowan, Jesse Kuhaulua (Takamiyama) and Salevaa Atisanoe (Konishiki). The author shares stories from family members, coaches, friends, Page 50/53

fellow sumo competitors, and of course Rowan himself, whom he accompanied on three Japan-wide exhibition tours. The work is further informed by volumes of secondary source material on sumo, Japanese culture, and local Hawai'i culture.

Sumo Boy saves a girl from a bully using real sumo wrestling moves.
