"HOW DOES EDMONDS Real-World Examples The text provides a variety of thought-provoking, real-world examples of financial and managerial accounting as an essential part of the management process. The names of the real-world companies used in these examples are high-lighted in blue font to facilitate their identification. The Curious Accountant Each chapter opens with a short vignette that sets the stage and helps pique student interest. These pose a question about a real-world accounting issue related to the topic of the chapter. The answer to the question appears in a sepa-rate sidebar a few pages further into the chapter. Focus on International Issues These boxed inserts expose students to international issues in accounting. "The Curious Accountant and Real-World Examples, all make the text better and would make it a pleasure to teach from." VIVIAN WINSTON, INDIANA UNIVERSITY"--
