What's the secret to surviving your freshman year of high school? Emily Kessler thinks she has it all figured out. She eats, sleeps and trains for competitive swimming. All she has to do is keep her grades high and swim times short -- short enough to live up to her sister Sara's. But walking the crowded maze of unfamiliar high school hallways is like diving headfirst into shark-infested waters. Shark #1: Dominique, her biggest competition on the swim team and all-around mean girl. Shark #2: The adorable and popular Ben Kale... Emily can't resist his smile no matter how hard she tries. When the pressure builds to the point where Emily isn't sure she can stay afloat, she begins to question the strict path her life has always followed. Maybe there is more to life than studying and swimming. Maybe the secret to surviving high school is just to have a little fun. The hit mobile game Surviving High School comes to life in an original novel about perfection, failure, and following your dreams.

"Lele is a bulls-eye target at her new school in Miami until, overnight, her digital fame catapults the girl with cheerleader looks, a seriously silly personality, and a self-deprecating funny bone into the popular crowd. Now she's facing a whole new set of challenges--the relentless drama, the ruthless cliques, the unexpected internet celebrity--all while trying to keep her grades up and make her parents proud"--

Meet Sam. He is your typical, over-achieving high school student. But, with 40 days left to graduate, 17-year-old Sam Hobbs dropped out of high school... And he has never enjoyed life more. Be with Sam as he struggles through childhood, rebels through adolescence, but somehow learns what it takes to make it to the top.

A guide to coping with the conflicts and changes of the high school years, including feelings, family relationships, and one's own body. Uses firsthand stories of people who have found God helpful.

POTS - Together We Stand: Riding the Waves of Dysautonomia is a collaborative effort of many doctors, teachers, counselors, parents and patients who wove this tapestry. Initially conceptualized as a survival guide for children, teens, young adults and parents; it quickly transcended into this unprecedented, critical volume. This encompassing work responds to the many desperate and heartbreaking pleas of those affected by dysautonomia; included are clear explanations of medical information, evidenced-based research, best practices for clinical diagnoses and treatment options, alternative/complimentary medicine approaches, non-medical strategies, coping techniques, helpful tips, patient rights and options, and inspiring narrative accounts of people living with the syndrome around the globe. The book contributors and its readers join hand in hand to represent the POTS dysautonomia community's shared struggles and hopes, concerns and endeavors, unequivocally serving as a living testament that "Together We Stand." This is the 3rd Edition!

Answers a variety of questions about sex from a Christian perspective.

Presenting original contributions from the key experts in the field, the Research Handbook on the Sociology of Education explores the major theoretical, methodological, empirical and political challenges and pressing social questions facing education in current times.

Introduces Luke Reynolds, who has the insider facts on the most proficient method to make companions, deal with bullies, and have a magnificent time in the middle school.
