Book One in the bestselling Iron Horse MC seriesBefore I met Smoke I'd never been kissed, really kissed, by a man, let alone a biker sex god bent on taking my virginity and my heart. I got dragged into the deadly world of the Iron Horse MC by my crazy twin sister who is engaged to the club's President and even crazier mom who only cares about herself. Smoke has been assigned by the club to keep me safe even though he's everything that I should be afraid of. He's the kind of man who lives by his own rules and does whatever he wants whenever he wants, but he treats me like I'm something rare and precious, not a socially dysfunctional basket case who has no idea how to love, but needs him more than her next breath.Not that my feelings matter, because if we don't find my mother soon, the only thing I'll have to be worried about is who is going to kill me first.Note- This is Part One of Two for Smoke and Swan's story. The second book, Exquisite Danger, is out now and is the conclusion of Smoke and Swan's story within the Iron Horse MC series.

Lori Foster enchanted legions of romance readers with her seductive novellas featuring the Winston brothers. Now, these tantalizing tales are available for the first time in one volume.

BellaMy childhood was normal...until it wasn't. My parents became involved in a lifestyle that ultimately destroyed who they were as people. Destroyed me. Now, I'm being forced to marry a man I want nothing to do with. I make the decision to take my daughter and run. But it's not that simple. It doesn't take him long to find us.Then, he saves us. Blake Hunter. Chains. He takes us in and protects us. But, doing so has put his whole family in danger. I'll sacrifice whatever I must to keep my daughter and the man I've come to love, safe. Even if it means my life. ChainsI found her, my soul mate. Only, she's running away from someone. My instinct is to lock her safely away in my home. But for some messed up reason, I help her fix her car so she can leave. Biggest mistake I've ever made. Now, I fight tooth and nail to gain redemption. I will protect her and her baby with my life. Her past tries to take her back, but I'm holding on with all of my strength. Arabella is mine. Her daughter is mine. God help the man trying to take them away. ***WARNING***Intended for readers 18 and older. This book is highly radioactive due to the amount of "F-Bombs" these guys drop. Inside you will find violence, abuse (including talk of rape) and an adult situation or two. So, slip on that hazmat suit and proceed with caution.***HEALTH WARNING***This book is packed full of alpha male deliciousness, insta-something and enough over-sweetened romance that cavities are a real possibility. Keep your dentist on speed dial.

This is the story of LSD told by a concerned yet hopeful father, organic chemist Albert Hofmann. He traces LSDs path from a promising psychiatric research medicine to a recreational drug sparking hysteria and prohibition.We follow Dr. Hofmanns trek across Mexico to discover sacred plants related to LSD, and listen in as he corresponds with other notable figures about his remarkable discovery.Underlying it all is Dr. Hofmanns powerful conclusion that mystical experience may be our planets best hope for survival. Whether induced by LSD, meditation, or arising spontaneously, such experiences help us to comprehend the wonder, the mystery of the divine in the microcosm of the atom, in the macrocosm of the spiral nebula, in the seeds of plants, in the body and soul of people.Now, more than sixty years after the birth of Albert Hofmanns problem child, his vision of its true potential is more relevant, and more needed, than ever.

"Time travel, UFOs, mysterious planets, stigmata, rock-throwing poltergeists, huge footprints, bizarre rains of fish and frogs-nearly a century after Charles Fort's Book of the Damned was originally published, the strange phenomenon presented in this book remains largely unexplained by modern science. Through painstaking research and a witty, sarcastic style, Fort captures the imagination while exposing the flaws of popular scientific explanations. Virtually all of his material was compiled and documented from reports published in reputable journals, newspapers and periodicals because he was an avid collector. Charles Fort was somewhat of a recluse who spent most of his spare time researching these strange events and collected these reports from publications sent to him from around the globe. This was the first of a series of books he created on unusual and unexplained events and to this day it remains the most popular. If you agree that truth is often stranger than fiction, then this book is for you"--Taken from Good Reads website.

Kentlee Johnson has always been a sweet girl with good intentions and simple dreams. Pierce "Fury" Duhart is an outlaw by nature, born and bred to ride with the Notorious Devils. When a chance encounter brings them face to face, Kentlee knows that getting involved with the president of the town's notorious MC is not a wise choice. But Fury knows what he wants, and Kentlee is the little bit of sugar he craves on the side. Daring to be bold for just one night, Kentlee surrenders to Fury's advances--but one taste of the rough and rowdy man is all it takes to turn her world upside down. *** Recommended for 18+ due to Sexual Content, Adult Language, and Violence

Now Mama and her twin gals have moved into the small house with Jerry, Patsy, and Erica the antics of the adventurous trio reach new heights of erotic activity. The sex is unrelenting even though Patsy is finding it hard to come to terms with Mama's stunning revelation about Erica's birth. However much Jerry tries to bring calm to the household, resentments surface and he attempts to refresh their sex lives with a holiday in the Ohio countryside at Mama's trailers. But does it work? Does Mama hold yet more secrets that are destined to shatters Jerry and his gals for good? From his Pa's entrance in WASTED PAIN to the trio's dynamic introduction in PROTECTION and the horrific events of BODIES, the disturbing story which flourished in MAMA finds another climax in BROKEN SISTERS This fifth episode is certainly thick with sex, but all the while it's the theme of love that stitches Jerry and his gals together. The Ken Ross Romantic/Erotic Suspense Series goes on.
