Cricket has changed dramatically in recent years and now can claim to be a truly global game, thanks in large part to new media technologies which bring a global audience for World Cups and other major competitions. However, the globalization of cricket has not followed a pattern

familiar in other sports: concentrations of wealth, media, and marketing leading to the domination of Western countries over the rest, and this fact alone makes it interesting for scholars of the globalization of sport. Cricket has followed a very different global path; the non-Western countries (former British colonies) have

begun to dominate and have taken control of the economics and politics of the game. In short, cricket has been “Indianized”. The globalization of cricket has received a massive boost from the popularity of the newest form of the game (Twenty20) which is helping promote cricket as a mass TV sport. The rise of Twenty20,

Finally, at age thirty-two-his last year of eligibility-he vowed to fight, although he was an old man in a sport of teenagers and a light man who had to be even lighter (125 pounds) to fight others his size. So begins Anasi's obsessive preparation for the Golden Gloves. He finds Milton, a wily
